THE MC STYLE

A counter-trend style inspired by dandyism, from which it draws an extraordinary ability to impress the audience with a bold combination of materials and colors, giving life to an ever unexpected and timeless elegance.

Uno stile in controtendenza con le mode del momento, ispirato al dandismo da cui trae la straordinaria capacità di stupire il pubblico con audaci abbinamenti materici e cromatici per dar vita ad un'eleganza imprevedibile e senza tempo.
