IC Lights F1

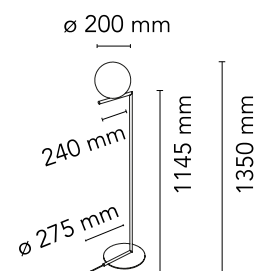

Designed by Michael Anastassiades, 2014

Halogen - 60W

Floor lamp emitting diffused light. Features a metal frame available in brushed and transparent varnished brass, chrome-plated steel or black, with a blown opal glass diffuser. Dimmer switch located on the power cable.

Part of the IC Lights series by Michael Anastassiades, a collection that explores balance, movement and identity through minimal, poetic forms. Designed in 2014, the series was inspired by the dexterity of a contact juggler and the visual tension of a sphere poised in perfect equilibrium. With its slender vertical form, the floor model brings a quiet, sculptural presence to any room, continuing Anastassiades' exploration of industrial simplicity.
