

Snoopy

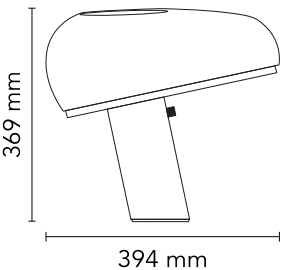

Designed by Achille and Pier Giacomo Castiglioni, 1967

Halogen - 100W

Table lamp emitting direct light. Features a tilted enamelled aluminium reflector and a solid white Carrara marble base housing the light source. Integrated touch-sensitive dimmer on the base allows on/off control and progressive light adjustment.

An enduring legend of lighting design, Snoopy was conceived by Achille and Pier Giacomo Castiglioni in 1967, the perfect embodiment of a tendency to infuse functional design with a sense of humour. With an innovative silhouette resembling its namesake comic strip dog, the lamp stands in perfect equilibrium. Three cooling holes resemble the grip of a bowling ball, while an asymmetric white Carrara marble base ensures stability and perfect light projection on the table. Snoopy is part of the permanent collection at MoMA and other leading design museums.

Main specifications

EAN	8059607039021
Mounting	Table
Environments	Indoor dry location
Light source type	Bulb
Light sources included	No
Lamp category	Halogen
Lamp type	A60
Lamp holders	E27
Ilcos	HS GS
Number of lamps	1
Power (W)	100
System power (W)	150

Physical

Colour	Orange
Length (mm)	394
Cord colour	Black
Net weight (kg)	7.8
Package height (mm)	465
Package width (mm)	470
Package length (mm)	385
Package volume (m3)	0.1
IP internal	20
