Skygarden 1

Designed by Marcel Wanders, 2007

Halogen - 150W

Suspension lamp emitting diffused light. Features a plaster dome with white interior, dome support in die-cast aluminium alloy and diffuser in flashed and blown opal glass. Decoration in photo-etched and mechanically drawn AISI 304 stainless steel. Ceiling attachment in moulded, galvanised steel with injection-moulded PA6 rose.

Designed by Marcel Wanders in 2007, Skygarden was inspired by the ornate plaster ceiling in his former home. Reluctant to leave it behind when he moved, Wanders preserved its beauty in this striking pendant lamp. From the outside, Skygarden is sleek and minimal, but step beneath it and a secret garden is revealed: delicate floral detailing cast in white plaster. A poetic fusion of classical craft and contemporary design, Skygarden brings hidden beauty into everyday space.
