

La Plus Belle

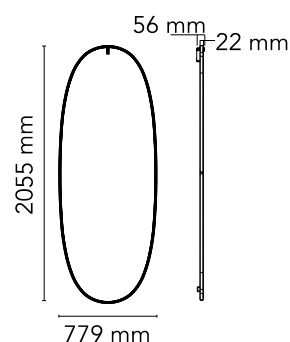

Designed by Philippe Starck, 2019

60W - 2700K

Wall-mounted mirror with integrated lighting emitting diffused light. Aluminium frame housing high colour rendering LED light sources with an optical opal silicone diffuser. Extra-clear glass mirror with rear safety and aesthetic film, fixed to the frame by a polycarbonate glazing bead. Wall installation via hook with dual magnet fixing device. Powered via wall-mounted power supply unit or IEC power cord and connector socket. Optical sensor control on the mirror or remote, PUSH or DALI dimming for 10–100% light intensity adjustment.

Designed by Philippe Starck, La Plus Belle transforms a classic mirror into a luminous object. Defined by an elliptical geometry, it frames the reflection with light, ensuring a faithful rendering and visual purity. Inspired by the fairy-tale mirror of Snow White, Starck wryly suggests that even the question of who is the fairest of them all cannot be answered without good lighting.

Main specifications

EAN	8059607005040
Mounting	Wall
Environments	Indoor dry location
Light source type	LED
Light sources included	Yes
LED type	LED Module
Power (W)	60

Physical

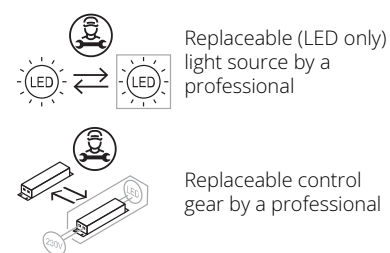

Colour	Polished Aluminium
Length (mm)	56
Net weight (kg)	24.6
Package height (mm)	1015
Package width (mm)	130
Package length (mm)	2315
Package volume (m3)	0.31
IP internal	20

Ecodesign and Energy Labelling

This product contains a light source of energy efficiency class E

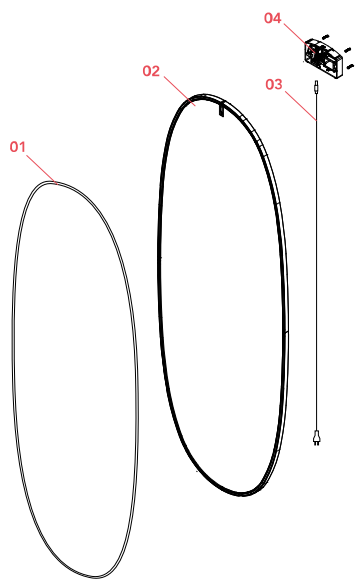

Photometric

Lighting type	Direct, Indirect
Light distribution	Asymmetric
CCT (K)	2700
Extreme cut off	No

Electrical

Insulation class	II
Frequency (Hz)	50/60
Main voltage (Vac)	120-277
Power supply	Integrated
Dimmable	Yes
Power supply type	Dimmable
Dimming interface	Dimmer Integrated
Plug type	Type C
Batteries inside	No
