

Chiara Table

LED retrofit - 10W

Table lamp emitting diffused light. Reflecting body in aluminium, finished internally with opaque white plastic film and assembled via riveted hooks. A moulded TPU seal runs along the edge. The internal base in extruded aluminium provides stability and supports the bulb socket. Dimmable via switch on the power cable.

Originally designed by Mario Bellini in 1969, Chiara is a sculptural statement created from a single sheet of metal, cut, rolled and fastened into a characteristic hooded silhouette that recalls a nun's wimple and veil. The design began with nothing more than a large piece of card and a pair of scissors. This re-edition updates the original with LED compatibility and modern finishes while remaining faithful to Bellini's architectural vision. Even when switched off, Chiara's bold and charismatic presence commands attention.

Main specifications

EAN	8059607032305
Mounting	Table
Environments	Indoor dry location
Light source type	Bulb
Light sources included	No
Lamp category	LED retrofit
Lamp holders	E14
Ilcos	HSGS
Number of lamps	1
Power (W)	10

Physical

Colour	Aluminium/Anthracite
Length (mm)	280
Cord colour	Black
Cord length (mm)	1900
Net weight (kg)	1.22
Package volume (m3)	0.06
IP internal	20
