F1952044 24K Gold

Copycat

Designed by Michael Anastassiades, 2015

16W - 900lm - 2700K

Table lamp emitting diffused light. Featuring an aluminium sphere machined from solid and gold-coated with 24 K gold, paired with a blown opal glass diffuser. LED light source. Dimmer switch located on the power cable.

Designed by Michael Anastassiades, Copycat explores imitation and dependence. Two spheres sit side by side, one small and precious, the other larger and luminous, with the smaller existing in the larger orb's shadow. Reflecting the meaningful bond between two beings, the design transforms a simple pairing into an intimate presence that embodies Anastassiades' philosophy of individuality, timelessness and eclecticism.
