A1402059 Brass

2097/30 (clear bulbs)

Designed by Gino Sarfatti, 1958

LED retrofit - 30 x 2W

Suspension lamp emitting diffused light. Central steel structure with brass arms, available chrome-plated, matt black, matt white or brass, each holding an exposed bulb. Exposed wiring. Steel ceiling fitting and rose.

Born in Venice, Gino Sarfatti drew inspiration from the traditional Venetian chandelier for 2097, a minimalist design as modern today as when conceived in 1958. Stripped to its essence, the only decorative element is the exposed wiring. Sarfatti transformed function into ornament by embracing technology rather than concealing it. Originally produced by Arteluce, 2097 embodies his vision of lighting as both an essential function and a bold architectural statement.
