Cupolina

reading lamp

1. Product overview

Minimalist floor lamp designed for ambient or task lighting.

A slender vertical metal stem rises from a circular base and curves smoothly to support an aluminum dome head, suspended by the electrical cable.

The light source emits a direct yet soft beam, making it suitable for both reading and ambient lighting.

Equipped with an acrylic lens diffuser and integrated LED.

On/off switch located on the cord.

2. Finishes and Materials

26 Black

59 Terracotta

3. Light Source & Dimming

Lamping

LED 6,2W (2700K / Ang. 90° / >90 CRI / 350mA)

230V / Typ* 725 lumens

*Integrated LED module (included).

On/Off cord switch

6. Certifications & Standards

Warranty: 2 years

100% made in Spain

7. Maintenance & Cleaning

Our lighting fixtures are crafted with high-quality materials and finishes to ensure durability and timeless elegance. To maintain their original beauty, please follow these care recommendations:

1. Regular cleaning: Dust the fixture regularly using a soft, dry microfiber cloth to prevent buildup.
2. For deeper cleaning: If necessary, use a slightly damp cloth with clean water. Always dry the surface immediately with a dry cloth.
3. Avoid harsh products: Do not use alcohol, abrasive cleaners, solvents, or detergents, as they may damage the finish and alter the appearance.

In case of failure, LEDs can be easily replaced.
