

Piroscafo Grey

Ernesto Gismondi

IP65 

LUMINAIRE

- Watt: **14W**
- Delivered lumen output: **1123lm**
- CCT: **3000K**
- Efficiency: **77%**
- Efficacy: **80.21lm/W**
- CRI: **90**

DESCRIPTION

Piroscafo is an outdoor lamp that combines essential, gentle design with solid functionality. It is conceived to illuminate pathways, gardens, or architectural spaces with style and discretion. Its curved, compact shape evokes the silhouette of seafaring vessels, objects tied to travel and orientation, suggesting a quiet presence and a subtle sense of direction.

Crafted from aluminum with a weather-resistant finish, Piroscafo is built to withstand the elements over time. The surface undergoes a three-stage treatment against oxidation, UV rays, and wear. Its glossy polycarbonate diffuser ensures a uniform light output while being impact-resistant.

Equipped with directional LED technology, Piroscafo delivers a precise beam of light, ideal for guiding footsteps or highlighting architectural details.

FEATURES

- Product Code: **T081900**
- Colour: **Grey**
- Installation: **Floor**
- Material: **Aluminum, tempered glass**
- Series: **Architectural Outdoor**
- design by: **Ernesto Gismondi**

DIMENSIONS

- Length: **198 mm**
- Width: **170 mm**
- Height: **275 mm**
- Diameter: **190 mm**

SOURCES INCLUDED

- Category: **Led**
- Number: **1**
- Watt: **14W**
- Color temperature (K): **3000K**
