

AIMÉE

CHAIRS | Indoor

CHRISTOPHE DELCOURT

Continuing the formal exploration begun with the eponymous armchair, the Aimée chair designed by Christophe Delcourt for Baxter is a hymn to fluidity. Aimée is a harmony of curves and counter-curves, a silent dialogue between the solidity of design and the grace of comfort. Leather naturally envelops the silhouette, offering an embrace that transcends time. It is not just a chair: it is a sensory experience, a piece designed for those seeking in furniture not only function but a sculpted emotion. Aimée elevates dining and living areas with its elegant presence, transforming the everyday act of sitting into a moment of pure aesthetics.

Structure: frame and seat in metal and polyurethane foam.

Spring system: springs in woven elastic straps of covered rubber.

Feet / Legs: adjustable feet.
