The colored vertical stripes are vibrant and captivating, adding a splash of personality to your décor. Any room, from the most minimalistic to the extremely ornated, are perfectly complemented by the poufs in shades of stunning hues to choose from, including bold reds, serene blues, and earthy greens. These poufs effortlessly infuse your space with a pop of color and liveliness.

Crafted with meticulous attention to detail, each pouf features our iconic fringes, creating a delightful visual texture that catches the eye. The fringes, carefully arranged in a symmetrical pattern, enhance the overall aesthetic appeal and lend a sense of playfulness to the design.
