PROFESSIONAL REFERENCE CASES

A WORLD OF INVITING DESIGN

FRITZ HANSEN

Delve into Fritz Hansen's global case studies that illustrate elegant ways of elevating ambiances in the places where we meet.

The importance of well-designed environments in a world where work and life blend are exemplified through workplace, hospitality, public, healthcare, educational, cultural, and outdoor settings.

Here Fritz Hansen's high-quality Nordic designs transcend trends and set the tone to create an inviting atmosphere.

HOSPITALITY

A Welcoming Guest Experience

HOTEL | RESTAURANT | CAFÉ

ART'OTEL BATTERSEA

Hotel
London, UK

PRODUCTS

Fri™ lounge chair
Lune™ sofa
Ro™ lounge chair
Analog™ table
Caravaggio™ pendant
Happy Hook coat hanger
Ikebana vase
Ikeru vase
Candleholder

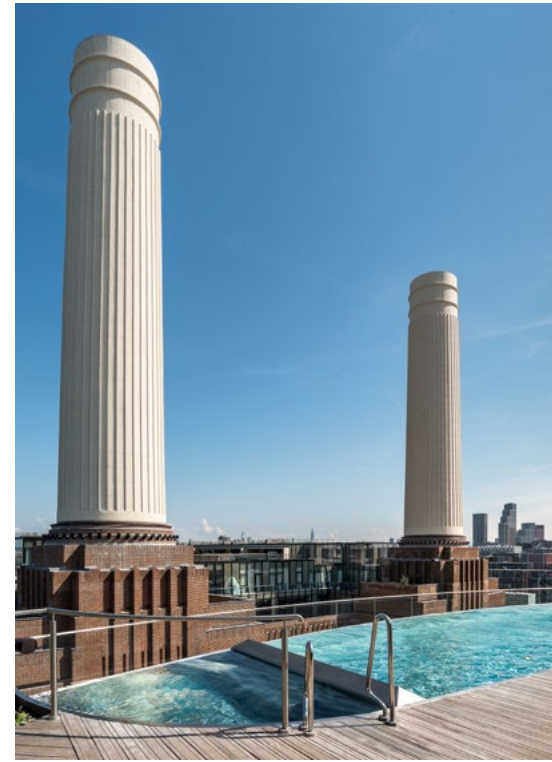

SEE MORE

Art'otel London Battersea Power Station is a unique hotel that combines art, design, and hospitality. The hotel's designer, Jaime Hayon, has created a living work of art that immerses guests in his world of playful surrealism and thoughtful luxury. Hayon's magical touch is evident throughout the hotel, from the suites to the spa and public art gallery, right down to the light fittings.

Achitect: Hayon Studios & Dexter Moren

HOTEL ODEON

Hotel
Odense, Denmark

PRODUCTS

Alphabet™ sofa series
Fri™ lounge chair
Grand Prix™ chair
Swan™ lounge chair
Caravaggio™ wall lamp
Series 7™ chair

SEE MORE

"Fritz Hansen's well-known design language was crucial to the project, and has exactly the expression we were aiming for. It was important to us that in 10 years the hotel still feels modern and relevant – and arouses the curiosity of the guests. Arne Jacobsen's organic forms add poetry to the building, and colours and materials have been a key element in the entire project."

Design: Barbara Bendix Becker, Owner & Founder of Studio R7B – Head of Art & Design for Hotel Odeon

Architect: Pernille Arlien Søborg Henriksen, Owner of Co.designstudio

FRITZ HANSEN STAY

Hotel
Seoul, South Korea

PRODUCTS

PK22™ lounge chair
PK61™ coffee table
PK24™ chaise longue
PK80™ daybed
Egg™ lounge chair
Swan™ lounge chair
Clam™ pendant
Drop™ chair
Pouf

SEE MORE

In the Gahoe-dong district of central Seoul, Fritz Hansen has collaborated with Jamyungseosil to offer its first Fritz Hansen Stay – an overnight experience for design-savvy travellers seeking nature, stillness and connection.

Architect: Lee moonho / Gaeun & Partners

SHANGRI-LA HOTEL

Hotel
London, UK

PRODUCTS
Ro™ lounge chair
Favn™ sofa

SEE MORE

An architecturally striking vertical city in the heart of London, The Shard is a bustling multi-purpose building where transport, life and business intersect – with just the right touch of elegant tranquillity in the resident Shangri-La Hotel.

Architect: Renzo Piano

ATELIER SEPTEMBER

Café
Hellerup, Denmark

PRODUCTS
Ant™ chair
Dot™ stool

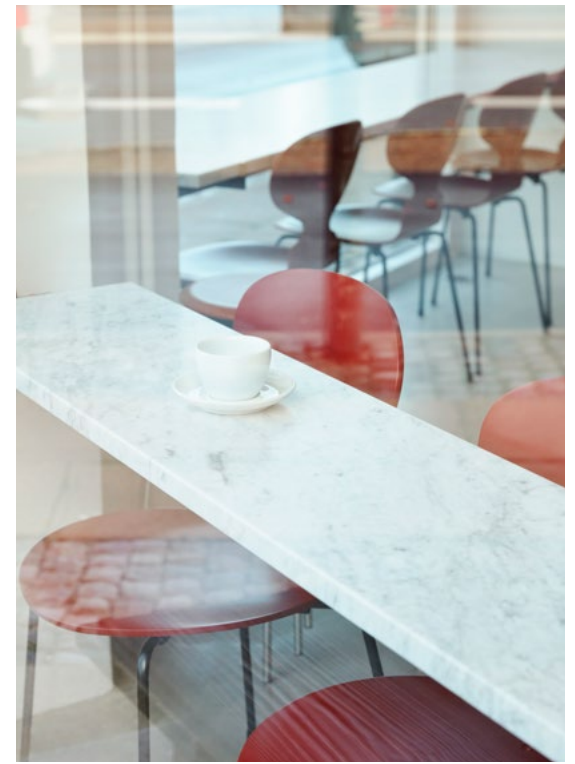

SEE MORE

Atelier September opened their second café just north of Copenhagen. A base for casual meetings, serious talks and hangouts – it's a place that understands everyday rituals of life. By creating only the fundamentals, the open interior design left space for the locals and other guests to leave their mark and set the ambience.

Interior design: Nikolah Lorentz Mentze, Studio0405

ATELIER SEPTEMBER

A.S.

A.S. 104

CAKENHAGEN

Café
Tivoli Gardens, Copenhagen, Denmark

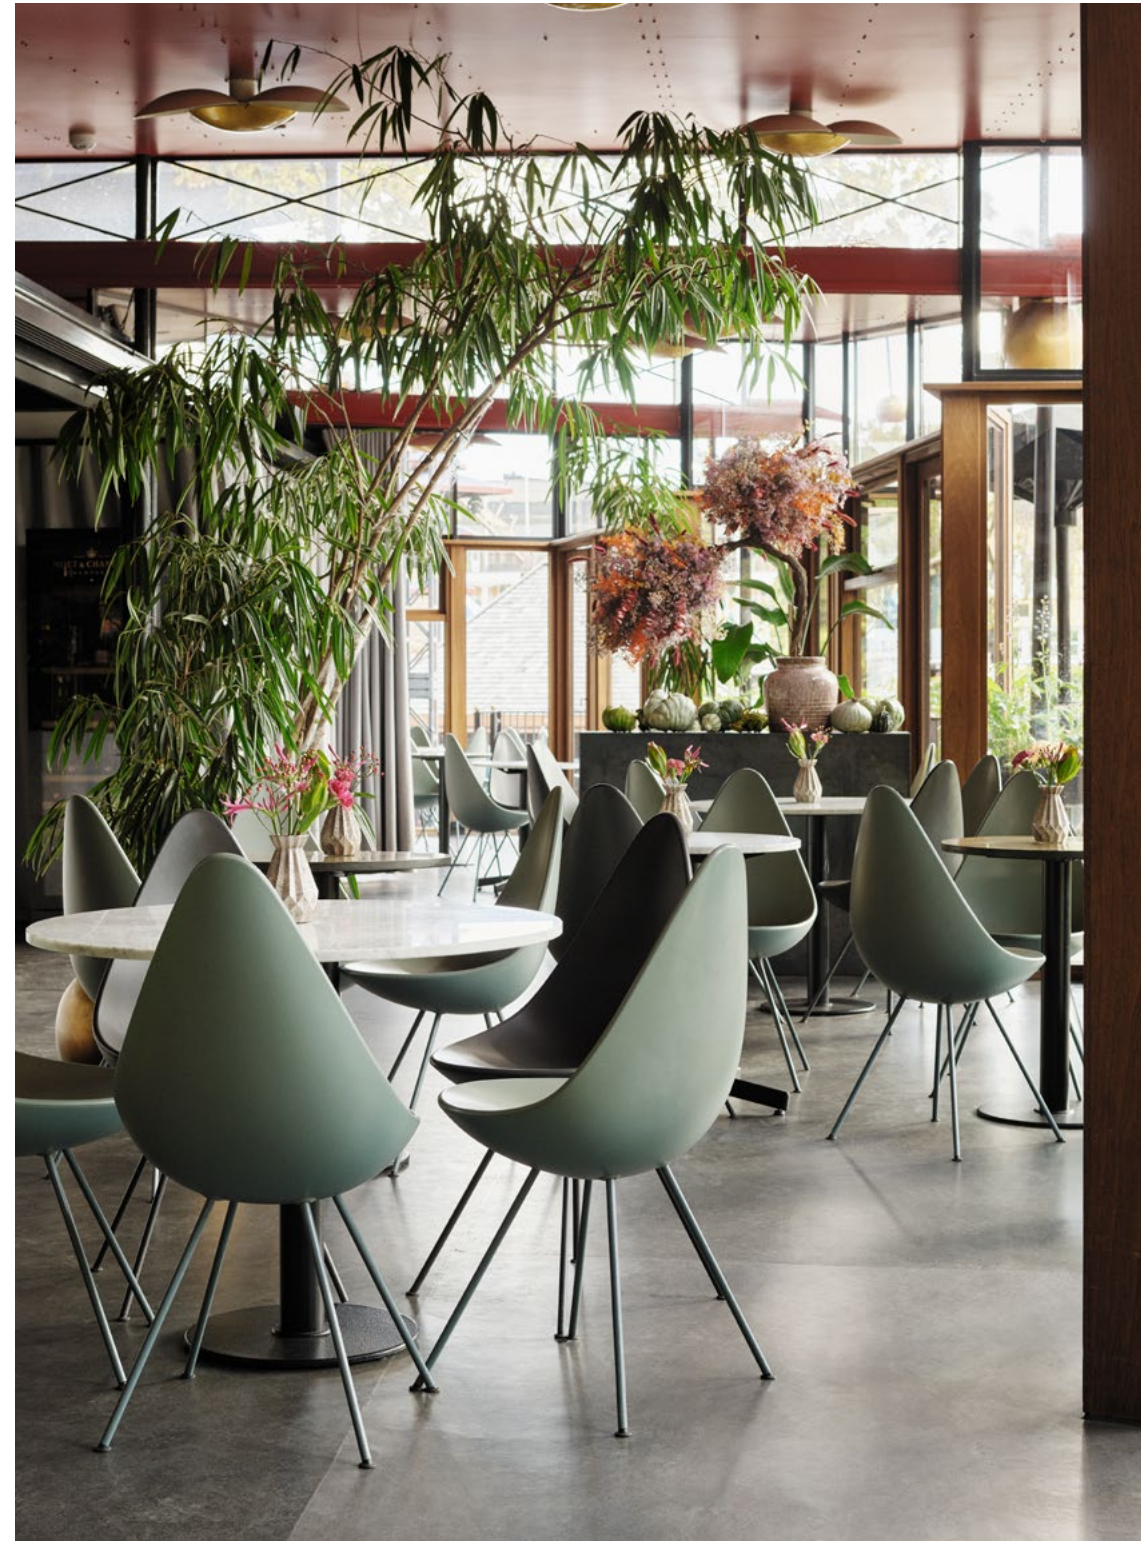

PRODUCTS
Drop™ chair

SEE MORE

Cakenhagen is a beautiful spacious pâtisserie in the heart of Tivoli Gardens that creates elaborate, colourful – and of course delicious – cakes and biscuits. Just like their baked creations, the atmosphere is a creatively considered space designed to please the eye and soothe the soul while the tastebuds are treated to something spectacular.

Interior design: Fritz Hansen

SONNY

Café
Frederiksberg, Denmark

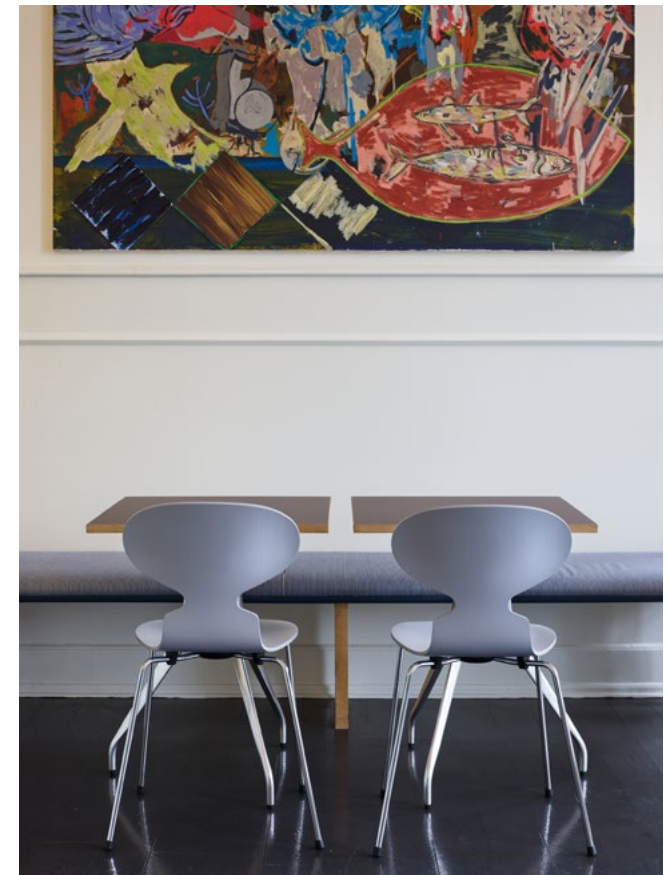

PRODUCTS
Ant™ chair
Dot™ stool
Atlantis umbrella
Catania umbrella

SEE MORE

Sonny stands out in a bustling city as an inviting combination of wholesome dishes, thoughtful design, and a sense of community. Co-owners, David and Sara's commitment to sourcing local, organic ingredients and preparing everything in-house from the menu to the décor, shines through in an atmosphere that is both welcoming and refined.

GHRELIN

Restaurant
Aarhus, Denmark

PRODUCTS

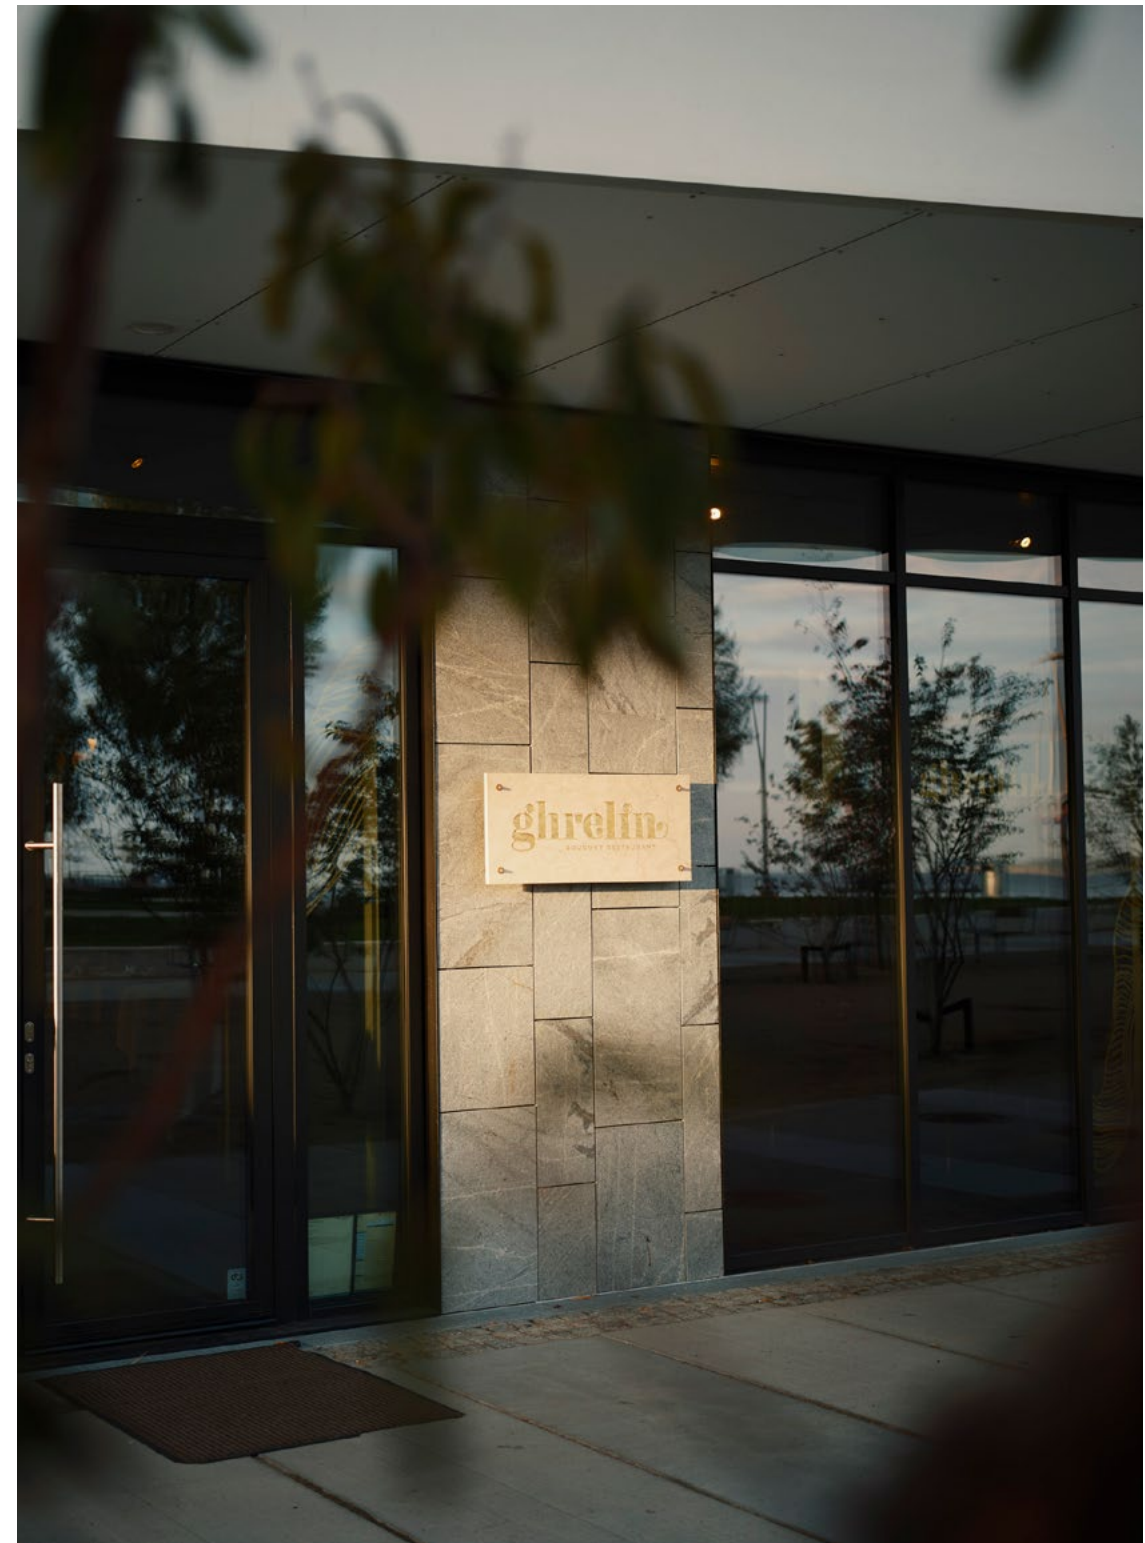

Little Giraffe™ chair
Swan™ lounge chair
Circular coffee table

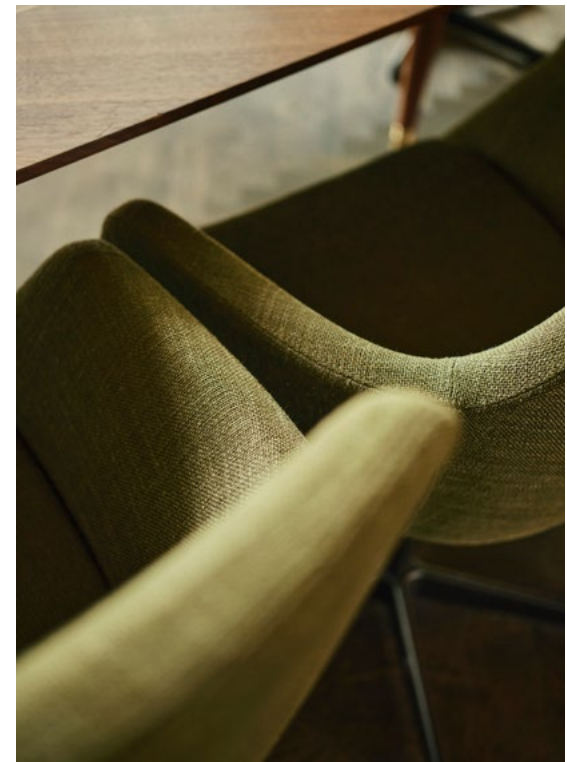

SEE MORE

The restaurant's name stems from the 'hunger hormone' of the same name. Ghrelin has several functions, but one of its key functions is telling our brains we're hungry.

Set on the ground floor of a contemporary multistory building, the space features several separate dining rooms and an expansive wine cellar for tastings. Every detail – from the textiles to the colour combinations, layout and furnishings – has been carefully considered for ultimate luxury.

GERANIUM

Restaurant
Copenhagen, Denmark

PRODUCTS
PK8™ chair
PK54™ table
PK54A™ expansion rings

SEE MORE

The three-star Michelin restaurant Geranium is situated in the centre of Copenhagen. In 2022, they were named best restaurant in the world. Their mission is to create meals that involve all the senses - restoring, challenging and enriching guests.

Architect: Signe Baadsgaard

THE MUSKET ROOM

Restaurant
New York, USA

PRODUCTS
Series 7™ chair
Ant™ chair
Plank bench
Banco bench

SEE MORE

In the celebrated New York restaurant, the décor too is luxuriant, albeit a dash more modest than its bold culinary offering. Here, Fritz Hansen designs create a sophisticated space, inside and out, underpinning the restaurant's global roots and warm and welcoming atmosphere.

GEMYSE

Restaurant
Tivoli, Copenhagen, Denmark

PRODUCTS
NO1™ chair

SEE MORE

To step inside Gemyse is to enter a verdant world where plants burst from every corner. For a restaurant with a name that means “vegetables”, the interior design is a fitting tribute to the plant-focused menu.

Interior design: Fritz Hansen

DET JAPANSKE TÅRN

Restaurant
Tivoli, Copenhagen, Denmark

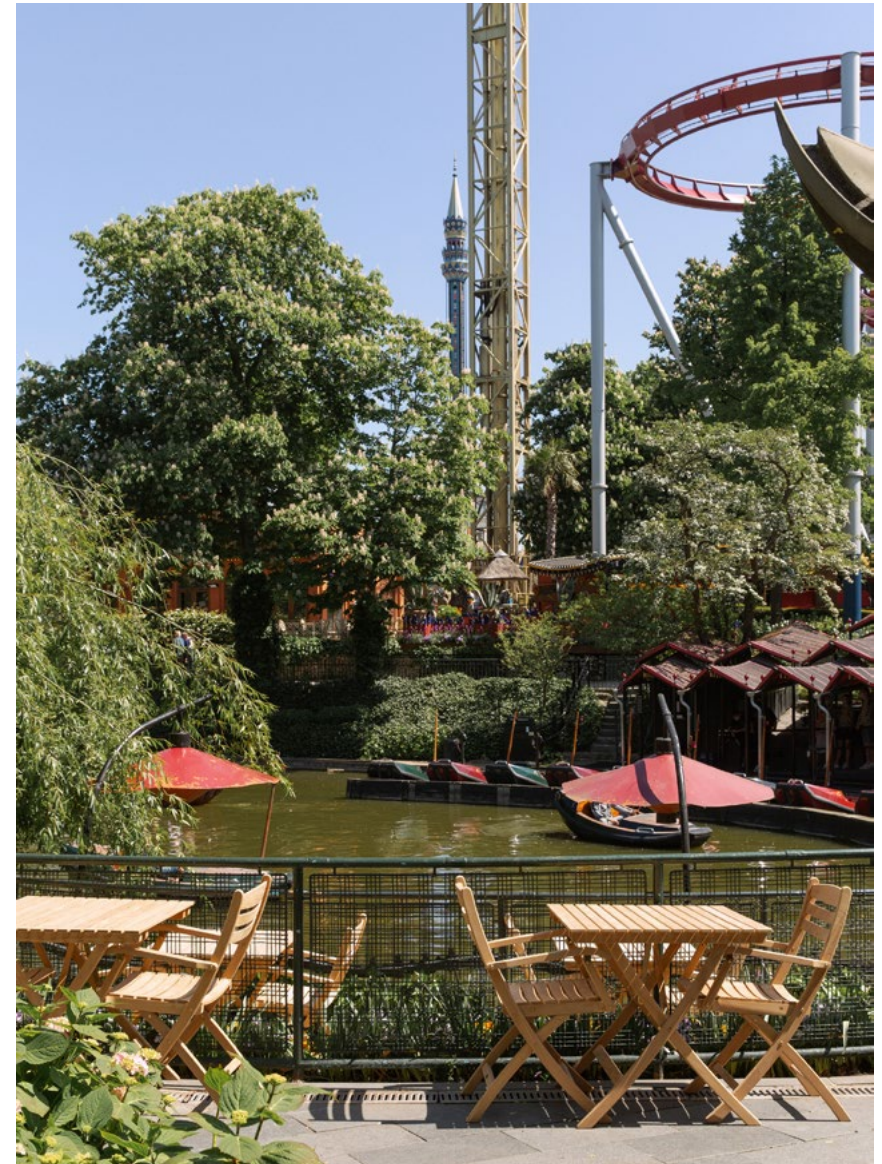

PRODUCTS

Lily™ chair
Let™ lounge chair

Ikebana vase
Georg stool
Jut cabinet
Fionia stool
Cutter bench
Lilium chair & table
Salandia chair & table

Det Japansk Tårn (Japanese pagoda) lies nestled among lush greenery in Copenhagen's magical Tivoli Gardens. A spectacular illumination tower from 1900, the Pagoda played host to three Michelin star and gourmet restaurants during a summer-long pop-up event.

SEE MORE

NIMB HOTEL

Restaurant
Copenhagen, Denmark.

PRODUCTS
Series 7™ chair
China Chair™

SEE MORE

Nimb Hotel sits perched amidst the world-renowned Tivoli Gardens in the pulsating heart of Copenhagen. The boutique hotel and its five unique restaurants and bars offer a coupling of magic and intimacy, Nordic minimalism and Asian opulence.

ALCHEMIST

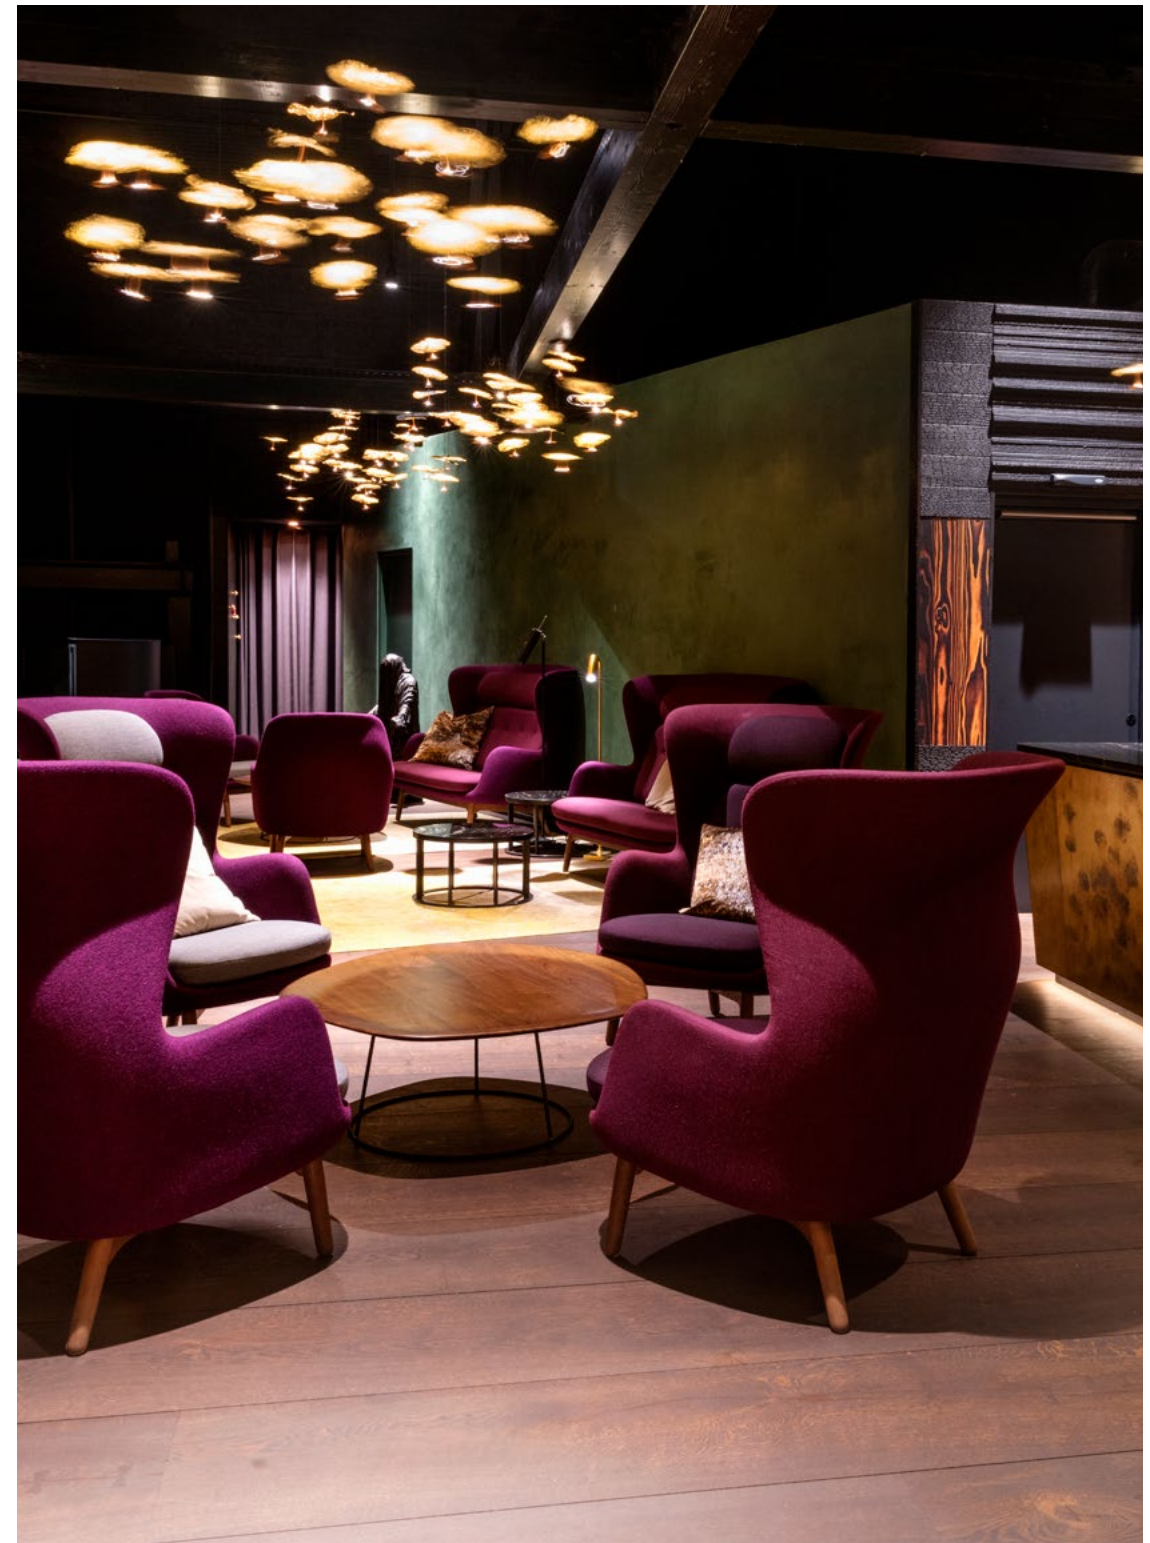

Restaurant
Copenhagen, Denmark

PRODUCTS
Ro™ lounge chair
Ro™ sofa
Fri™ lounge chair
N01™ chair

SEE MORE

Restaurant Alchemist covers 2,000 square meters and three levels of a renovated industrial building in Refshaleøen, just outside the Copenhagen's centre and aims to transform and transcend the nature of food and dining. The Balcony is the final act in the Alchemist experience, and after four hours of dining and drama, this is the place to wind down.

LA BONNE TABLE

Restaurant
Tokyo, Japan

PRODUCTS
Grand Prix™ chair

SEE MORE

La Bonne Table can be translated as "a beautiful dining table". The atmosphere at La Bonne Table is modern and casual to match its menu, with a chef's table directly in front of the open kitchen that seats up to 10 people.

Join™ table
Pluralis™ table
Superellipse™ table
AQ01™ table lamp
KAISER idell™ lamp

SEE MORE

The office of JAB Holding Company sits 13 stories above Paddington station, suspended within the London skyline. Designed by UberRaum Architects, the space delivers the tranquil atmosphere of a green oasis in the heart of the city.

Architect: Uber Raum Architects

AXIS

Office
Lund, Sweden

PRODUCTS
Grand Prix™ chair
NO1™ chair
Pot™ lounge chair
Little Giraffe™ chair
Coat Tree™ coat hanger

SEE MORE

In the Swedish city of Lund, a modern and creative office space serves as the award-winning home for renowned company Axis. The 42,000-square-metre headquarters was recently designed in collaboration with Landen Krantz architects with a particular focus on employee health, wellbeing and sustainability.

Architect: Fojab Malmö

Interior Design: Landen Krantz architects

BERINGEA

Office
London, UK

PRODUCTS

Series 7™ chair
Series 7™ bar stool
Pluralis™ table

SEE MORE

In the throes of the pandemic, Beringea saw an opportunity to switch things up and adapt their working environment in their London office. Employing the helping hand of architecture firm Mowat & Company, the company set about designing a new office space where wellbeing and collaboration take centre stage. The goal was to create a space that would allow employees to feel a sense of calm and belonging during an anxious period – whether they're working in the office, at home or in the sister office in the US.

Architect: Mowat & Company

BESTSELLER

Office
Aarhus, Denmark

PRODUCTS
Series 7™ chair
Grand Prix™ chair

SEE MORE

Chairs as symbols - individual brands in the same building. Warmth, quality and space for different types of meetings have turned clothing company Bestseller's new office building into an exemplary representation of how the careful use of design and craftsmanship can do much more than just create beautiful rooms.

Architect: C.F. Møller Architects

COLLIERS

Office
Copenhagen, Denmark

PRODUCTS

Egg™ lounge chair
Swan™ lounge chair
Oxford™ chair
Little Giraffe™ chair

SEE MORE

Colliers, a leading commercial real estate company, craved a modern work environment that reflected their values of openness, collaboration and flexibility.

Interior Design: Helle Nøhr Holmstrøm

DANISH CROWN

Office
Randers, Denmark

PRODUCTS

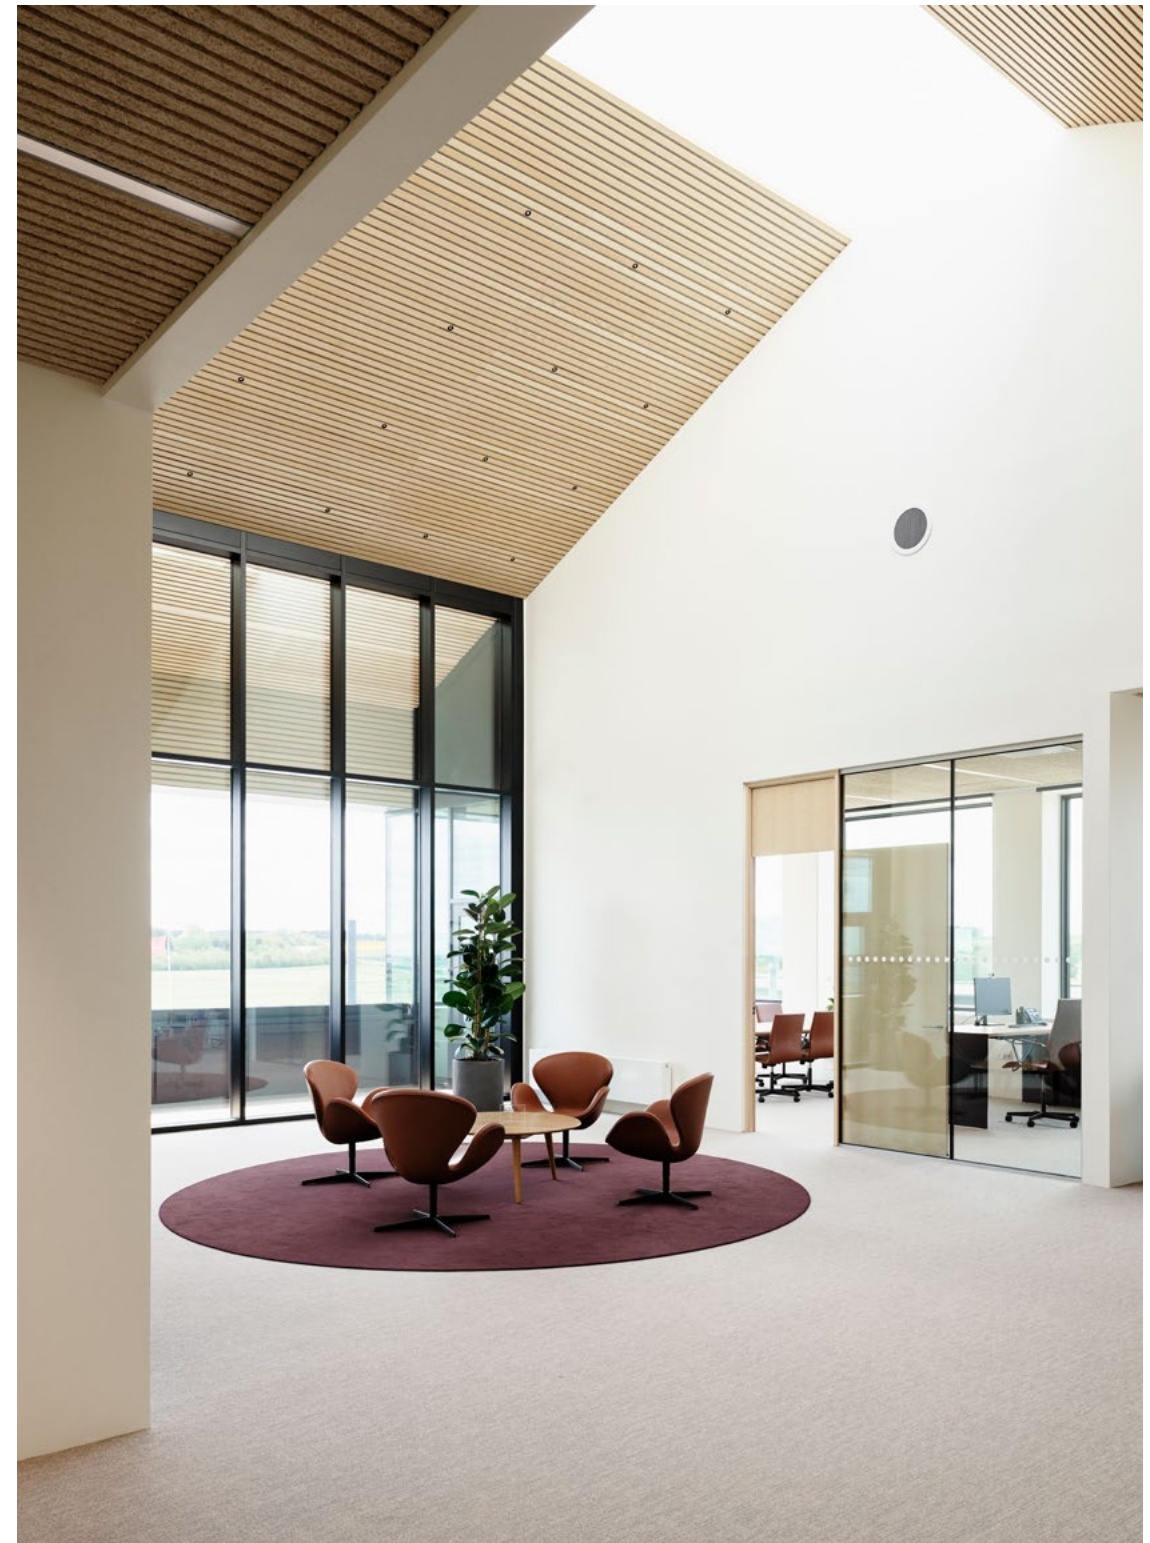

Egg™ lounge chair
Swan™ lounge chair
Grand Prix™ chair
Oxford™ chair

SEE MORE

The 13.000 m2 Danish Crown headquarters opened its doors to its employees in spring 2023. Stepping inside, a vast floor-to-ceiling atrium and large windows throughout the building bring the feeling of the outdoors to the indoor spaces. This is especially felt on clear days when shafts of sunlight from the skylights trace patterns across the floors and walls.

Interior Design: PLH Arkitektur, Bine Soelberg

DFDS

Design for Wellbeing

AIRPORT | CLINIC | INSTITUTION

COPENHAGEN AIRPORT

Airport
Copenhagen, Denmark

PRODUCTS
Series 7™ chair
Dot™ stool

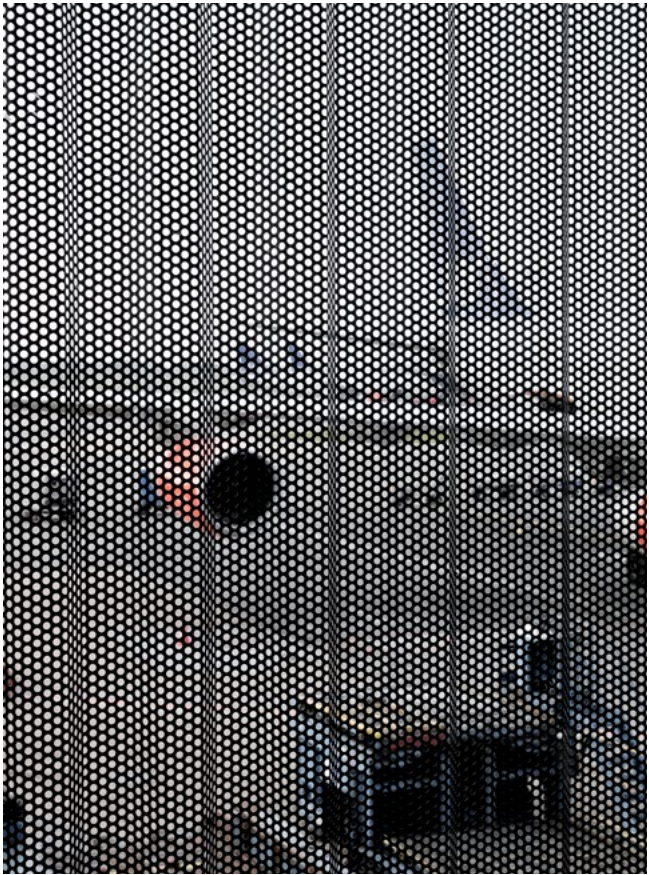

SEE MORE

It's a one-of-a-kind experience. Pier C of Copenhagen Airport creates gentle efficiency by using design and behavioral science. "Nudging" is the name of the method, and it uses interior design to create flow that is logical, comfortable and efficient for guests, with no loud instructions or force needed.

Architect: Schmidt Hammer Lassen Architects

DR LEE'S EYE CLINIC

Medical clinic
Jinju, South Korea

PRODUCTS

Egg™ lounge chair
Swan™ lounge chair
Fri™ lounge chair
VIA57™ lounge chair
Essay™ table
Egg™ table
Stub™ side table
Clam™ pendant
Series 7™ chair
Ant™ chair
Lily™ chair
N02™ Recycle chair
Vico Duo™ chair
Planner™ shelving

SEE MORE

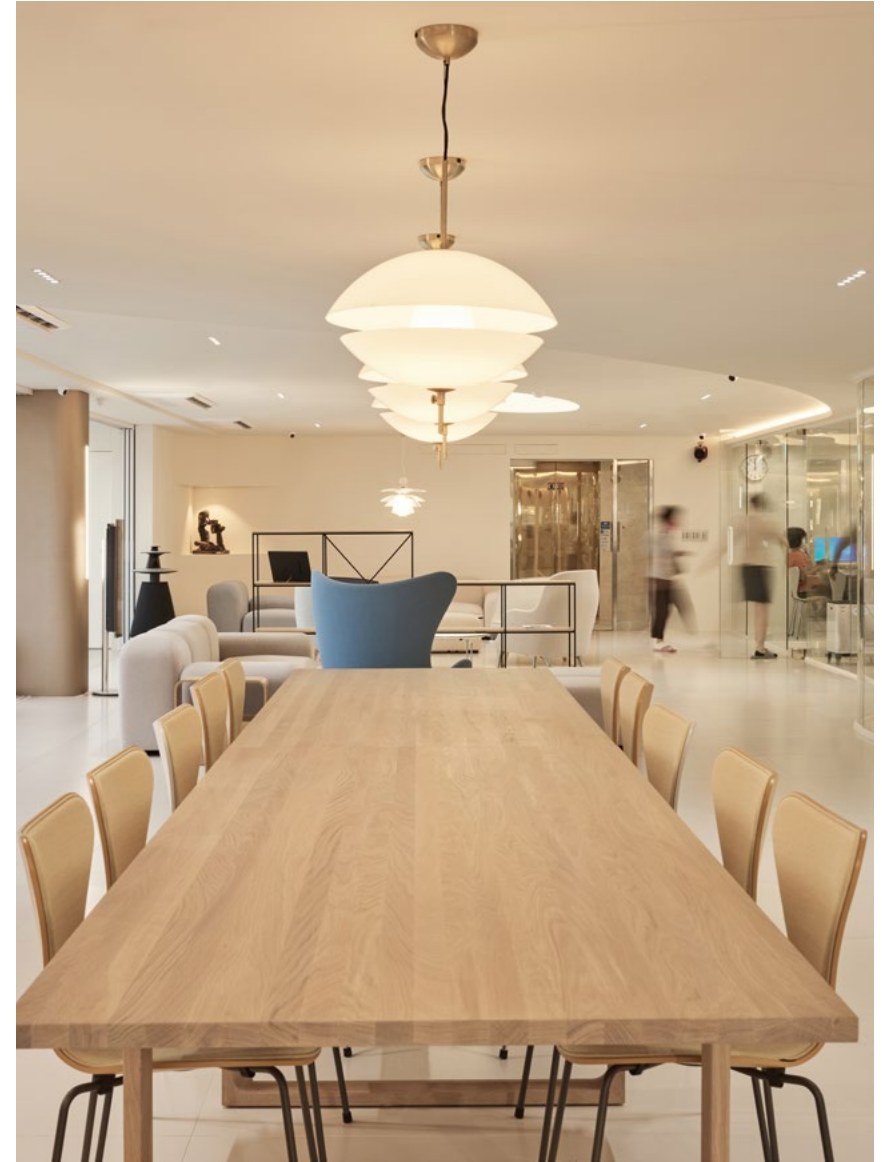

The task accorded to space stylist, Hyemin Lee, was to introduce a feeling of hominess at Dr Lee's Eye Clinic. As Korean medical centres typically lack a cosy, inviting vibe, the project aimed to change that stereotype and find a perfect balance between a cosy living room feel while presenting an advanced medical facility in the same space.

Architect: 130N Construction

Art Direction / Space Styling: Hyemin Lee

KING EDWARD VII'S MEDICAL CENTRE

Medical Clinic
London, UK

PRODUCTS

Fred™ lounge chair
Ro™ lounge chair
Fri™ lounge chair
Planner™ coffee table

SEE MORE

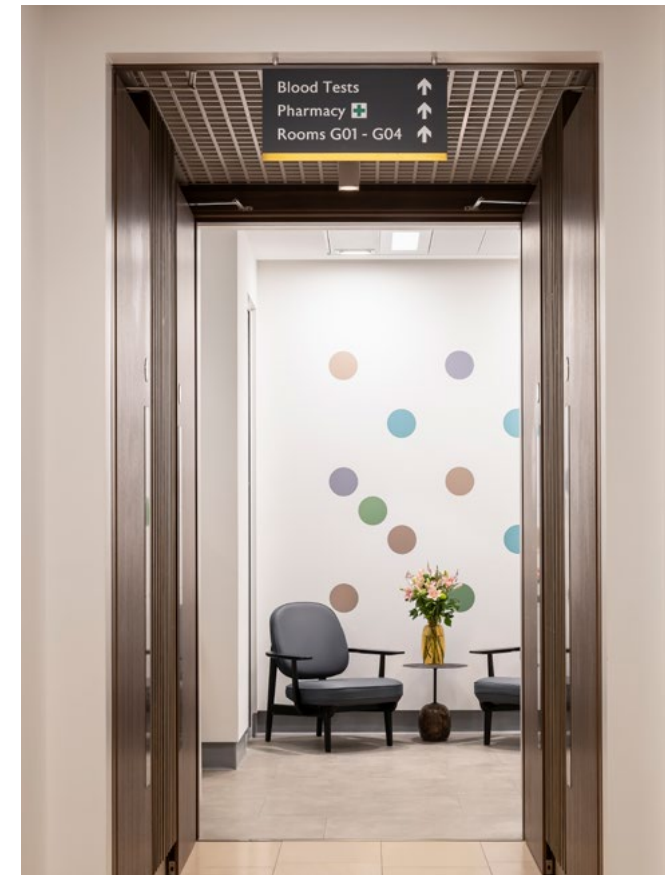

In the vibrant Marylebone district of central London, a 56-bed private infirmary with a proud history of royal patronage is transformed into a health care space that looks like hospitality and feels like home.

Architect: Pi Group

AARHUS UNIVERSITY HOSPITAL

Medical Clinic
Aarhus, Denmark

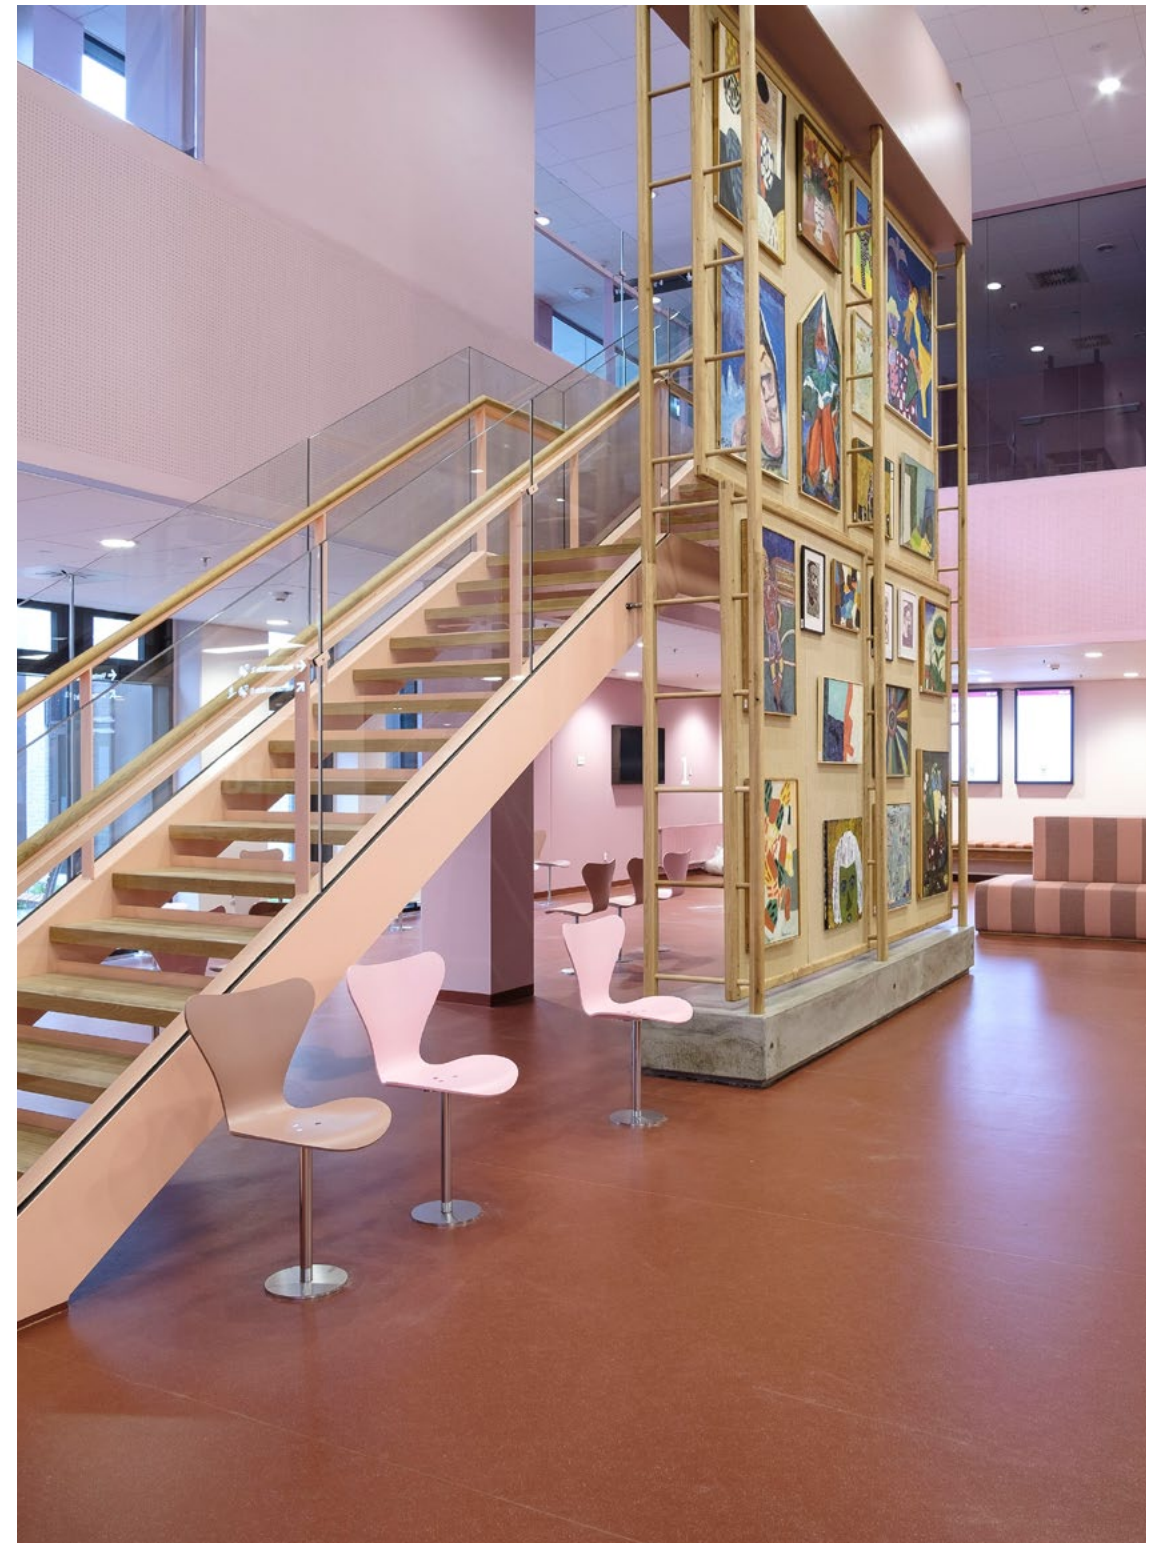

PRODUCTS

CULTURE & EDUCATION

The Inspirational Atmosphere

EDUCATION | MUSEUM | LIBRARY

GENEVA MUSIC CONSERVATORY

Education
Geneva, Switzerland

PRODUCTS
Series 7™ chair
Ant™ chair
Pot™ lounge chair
Ant™ bar stool

SEE MORE

The key to this project was honouring the history of the proud Genevan monument while adding over 1,000m² of additional space. Referencing the original 19th century building plans, the architects introduced natural light. Previously dark spaces were transformed by daylight when the original facets of the building were opened and skylights introduced, completely altering the character of the spaces with fresh clarity and harmonious proportions.

Architect: GM Architectes Associés

HANS CHRISTIAN ANDERSEN'S HOUSE

Museum
Odense, Denmark

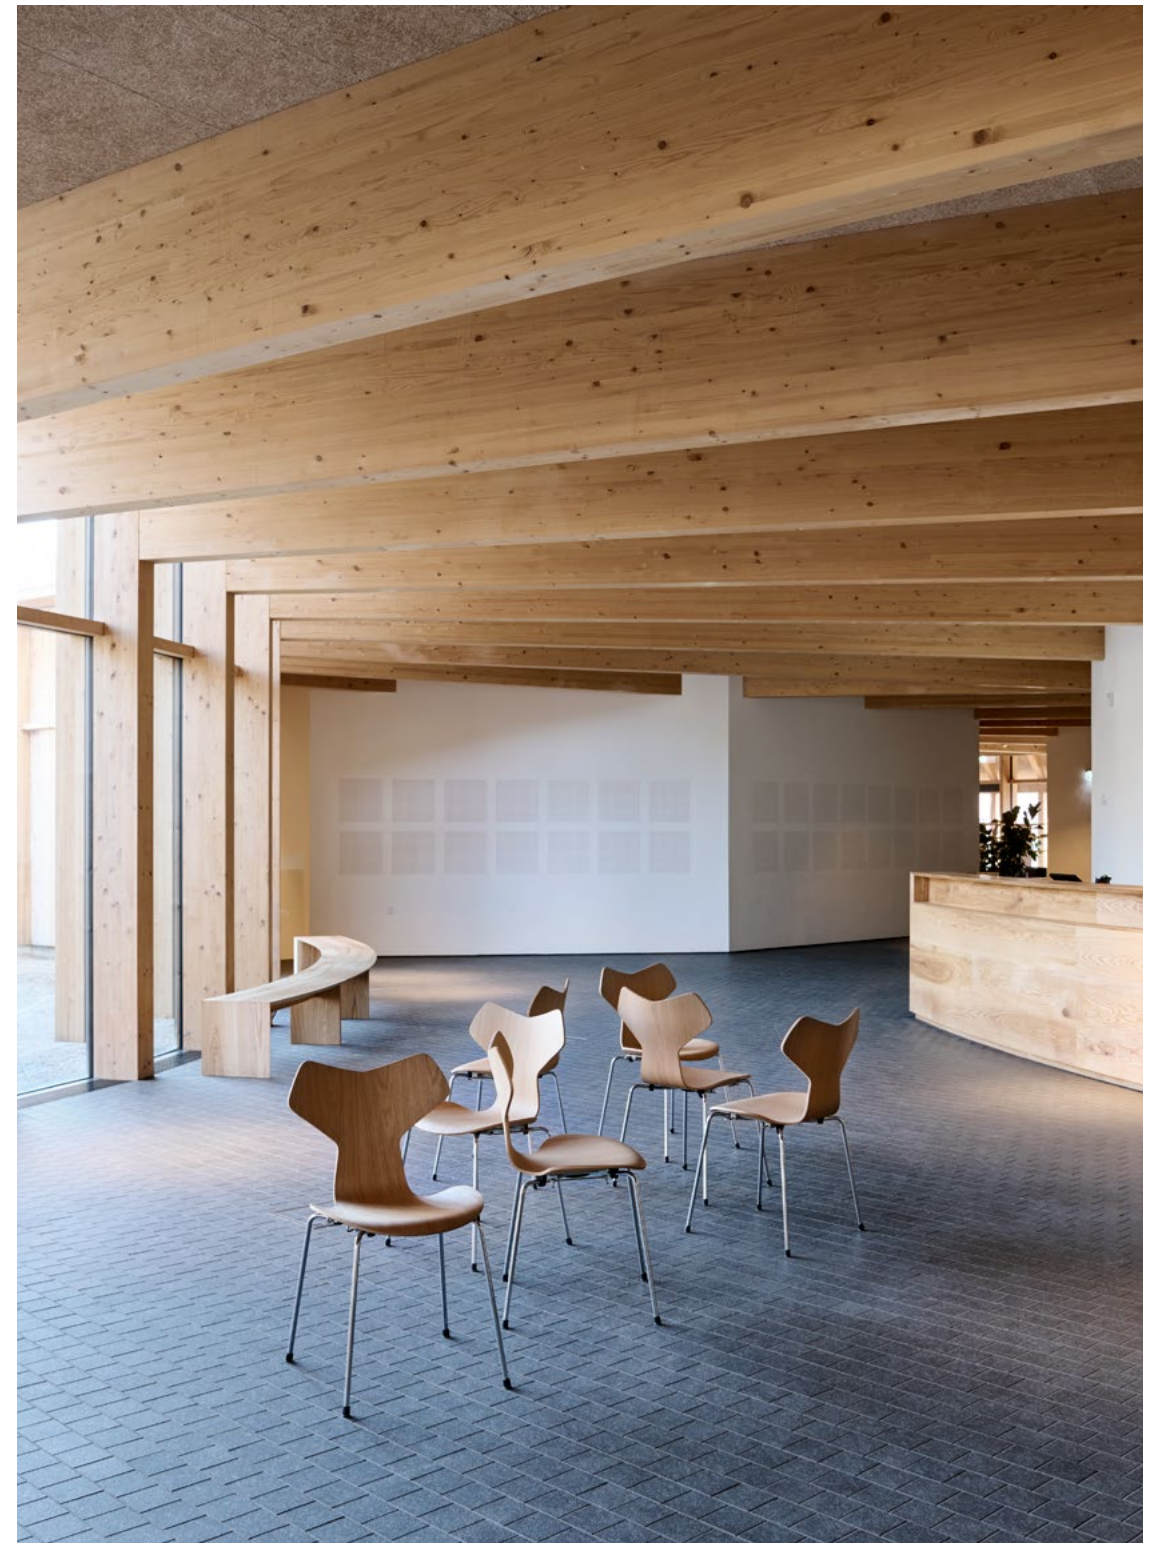

PRODUCTS
Grand Prix™ chair

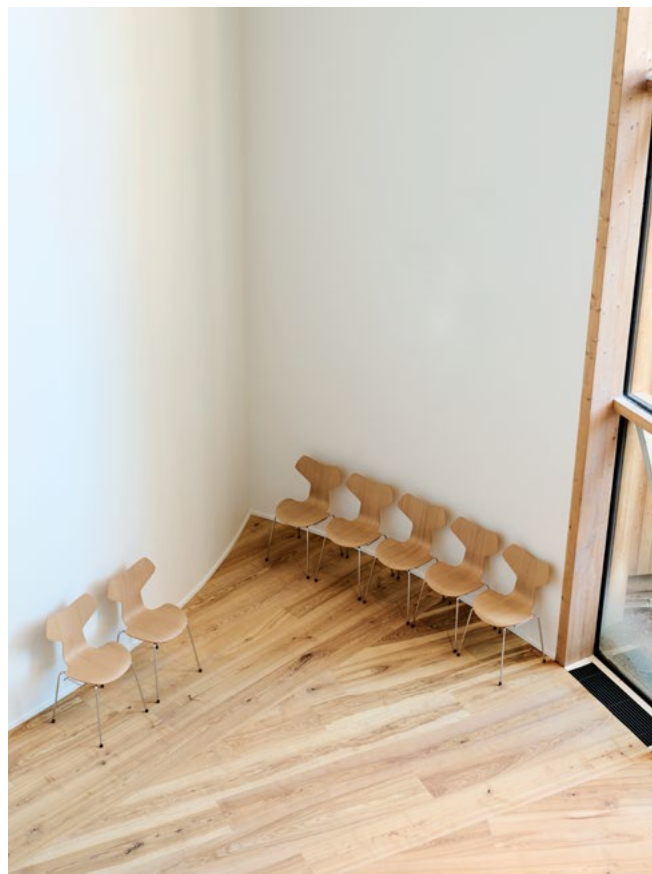

SEE MORE

Designed by Japanese architecture firm Kengo Kuma & Associates, the museum is a sensory playground for adults and children alike. A striking mix of old and new, the building artfully combines a mix of indoor and outdoor spaces, stretching over 12500 square metres. Two thirds of the museum is located underground, whisking visitors deeper into Andersen's creative universe, taking them on a physical journey through magical gardens and surprising nooks.

Architects: Kengo Kuma & Associates
Interior Design: Ramsing & Co

KUNSTHAUS ZÜRICH

Museum
Zürich, Switzerland

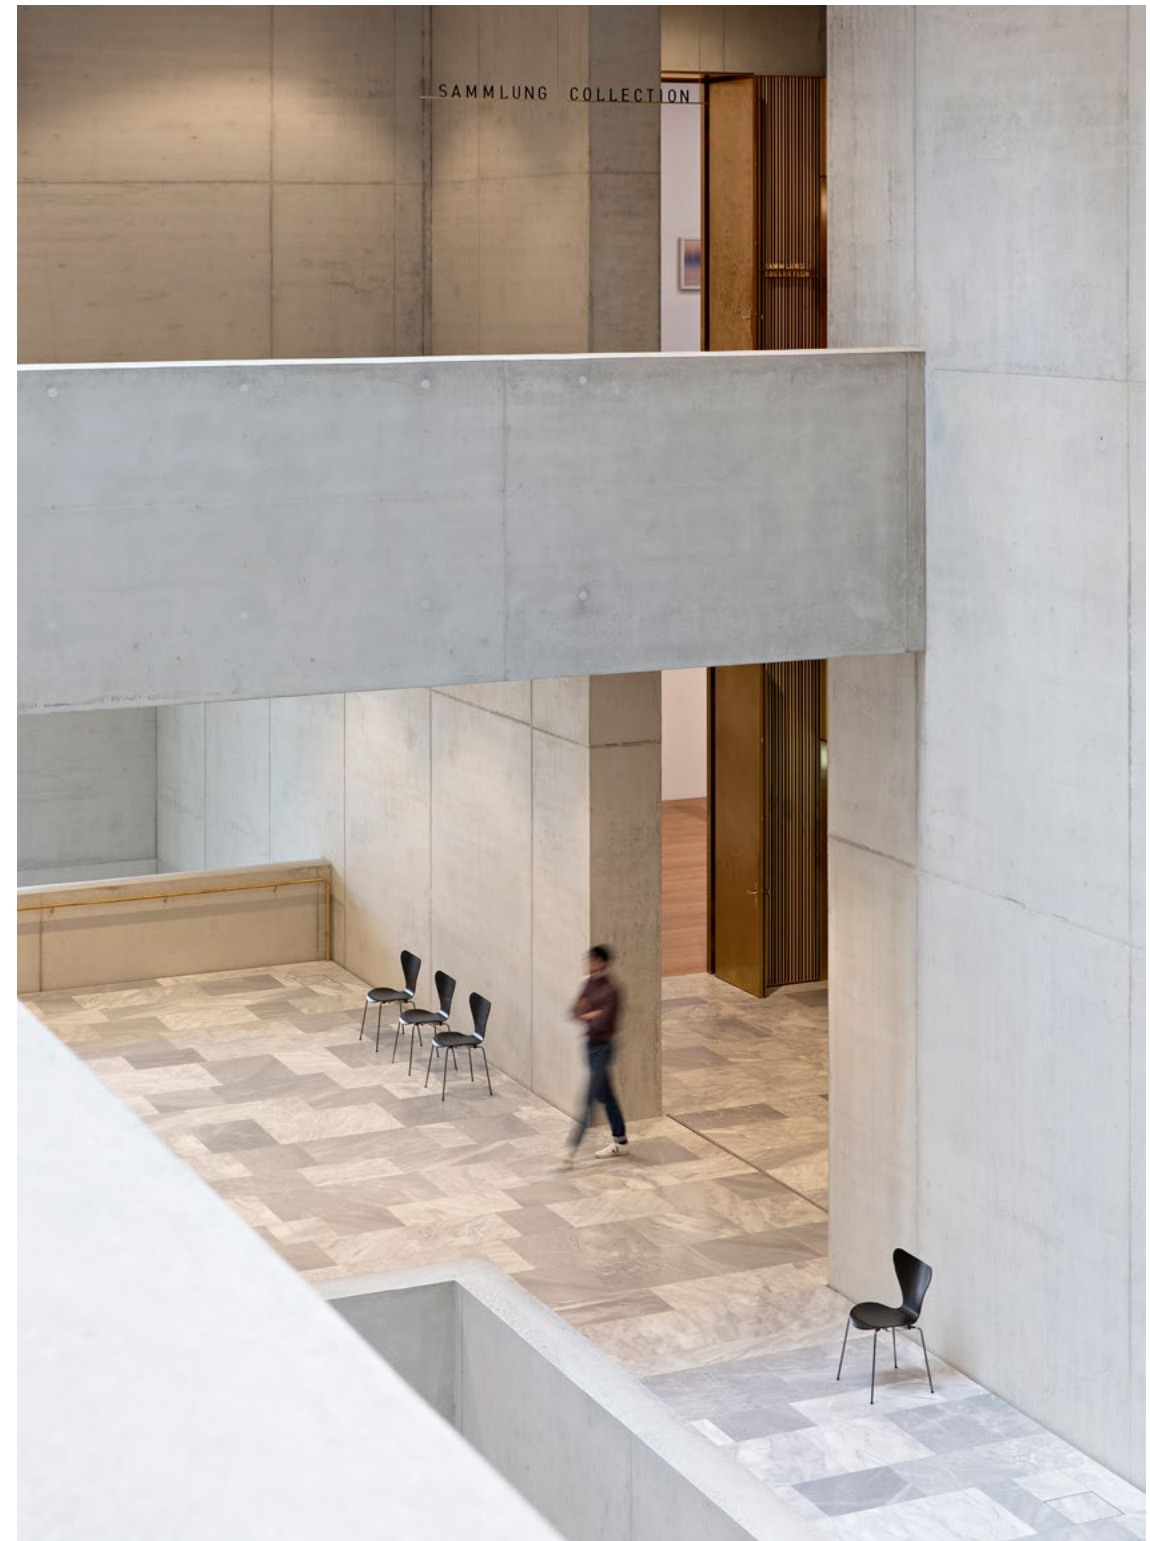

PRODUCTS
Series 7™ chair

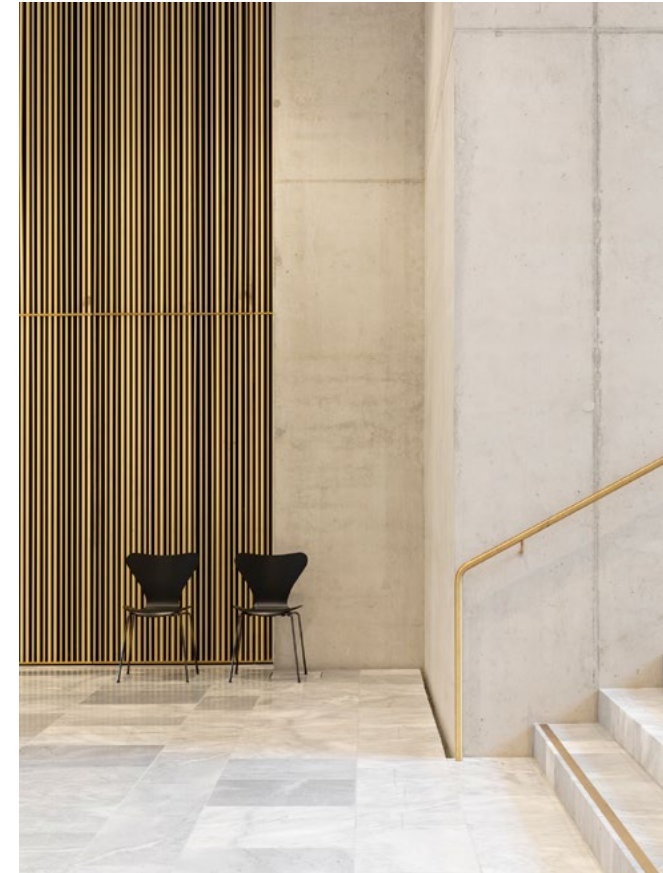

SEE MORE

Kunsthhaus Zürich – a gateway to the world of art - opened a new extension in 2021 that reflects the cultural institution's idea of a museum for the 21st century.

Architect: David Chipperfield Architects

M/S MARITIME MUSEUM OF DENMARK

Museum
Elsinore, Denmark

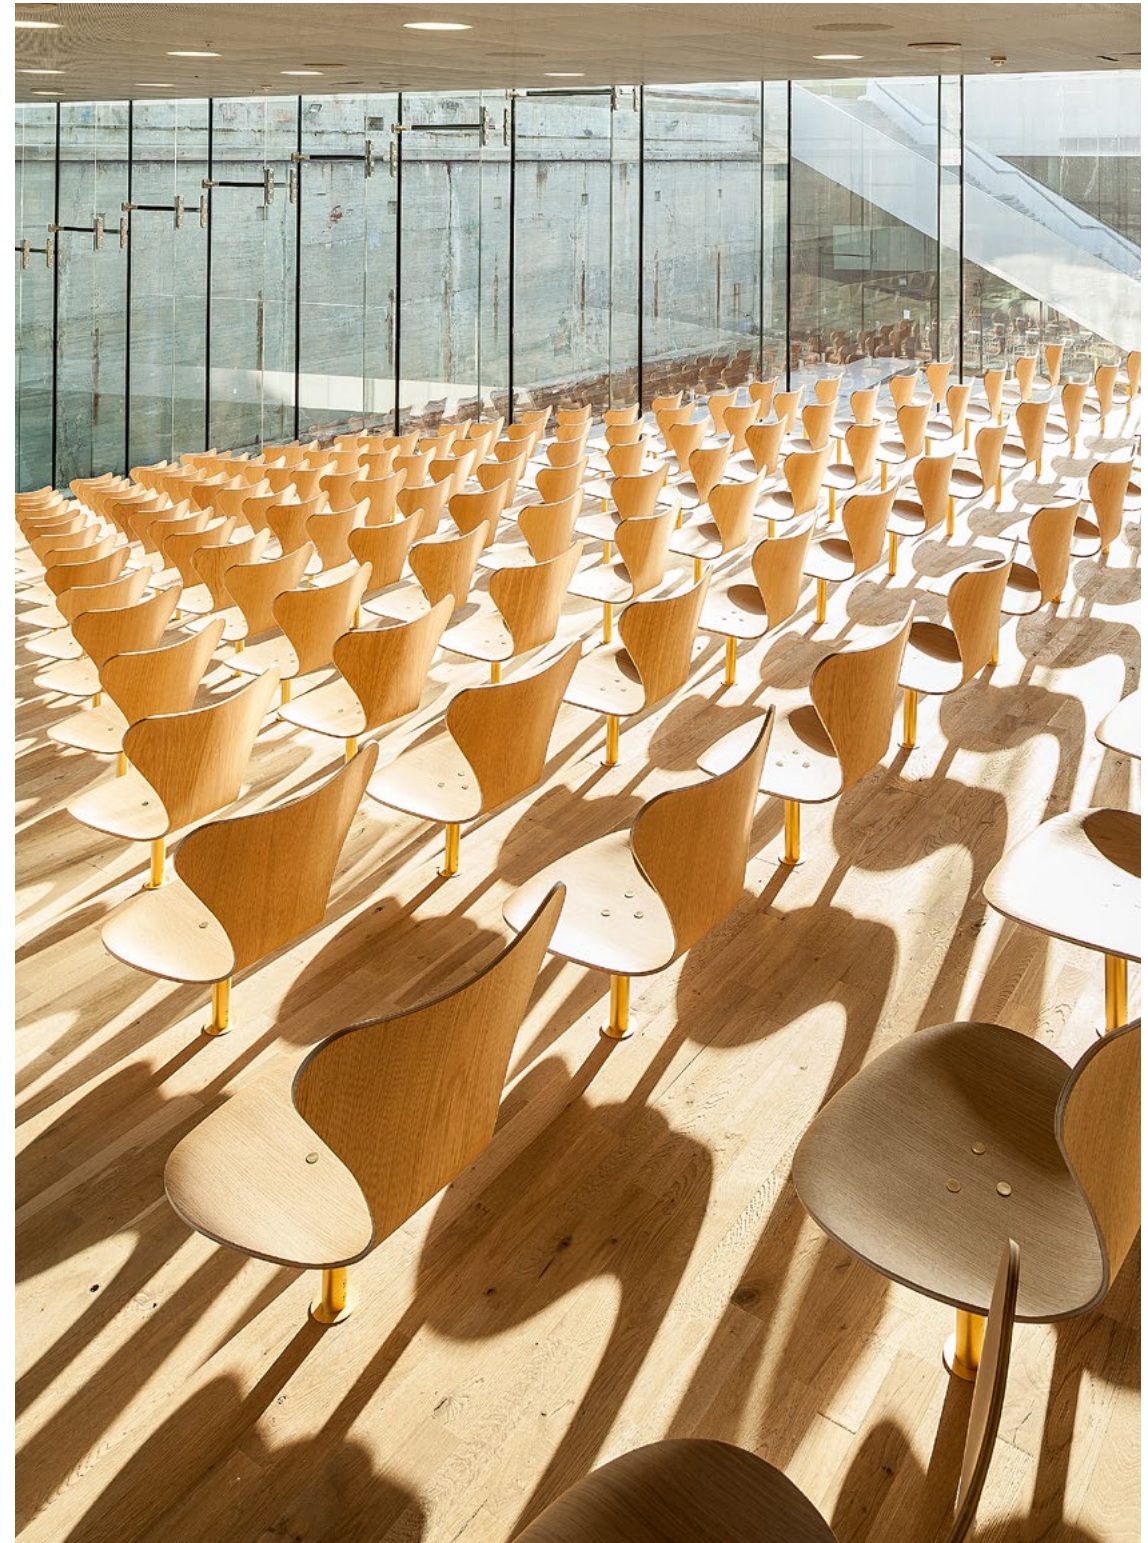

PRODUCTS
Series 7™ chair

SEE MORE

The Danish Maritime Museum is designed by the architectural firm BIG Bjarke Ingels Group. The museum is located underground around the old dry dock of Elsinore Shipyard. BIG has therefore preserved the old dock as a historical, industrial monument and left the dock standing as an open, outdoor exhibition room and event space.

Architect: Bjarke Ingels Group

ST CATHERINE'S COLLEGE

Education
Oxford, UK

PRODUCTS

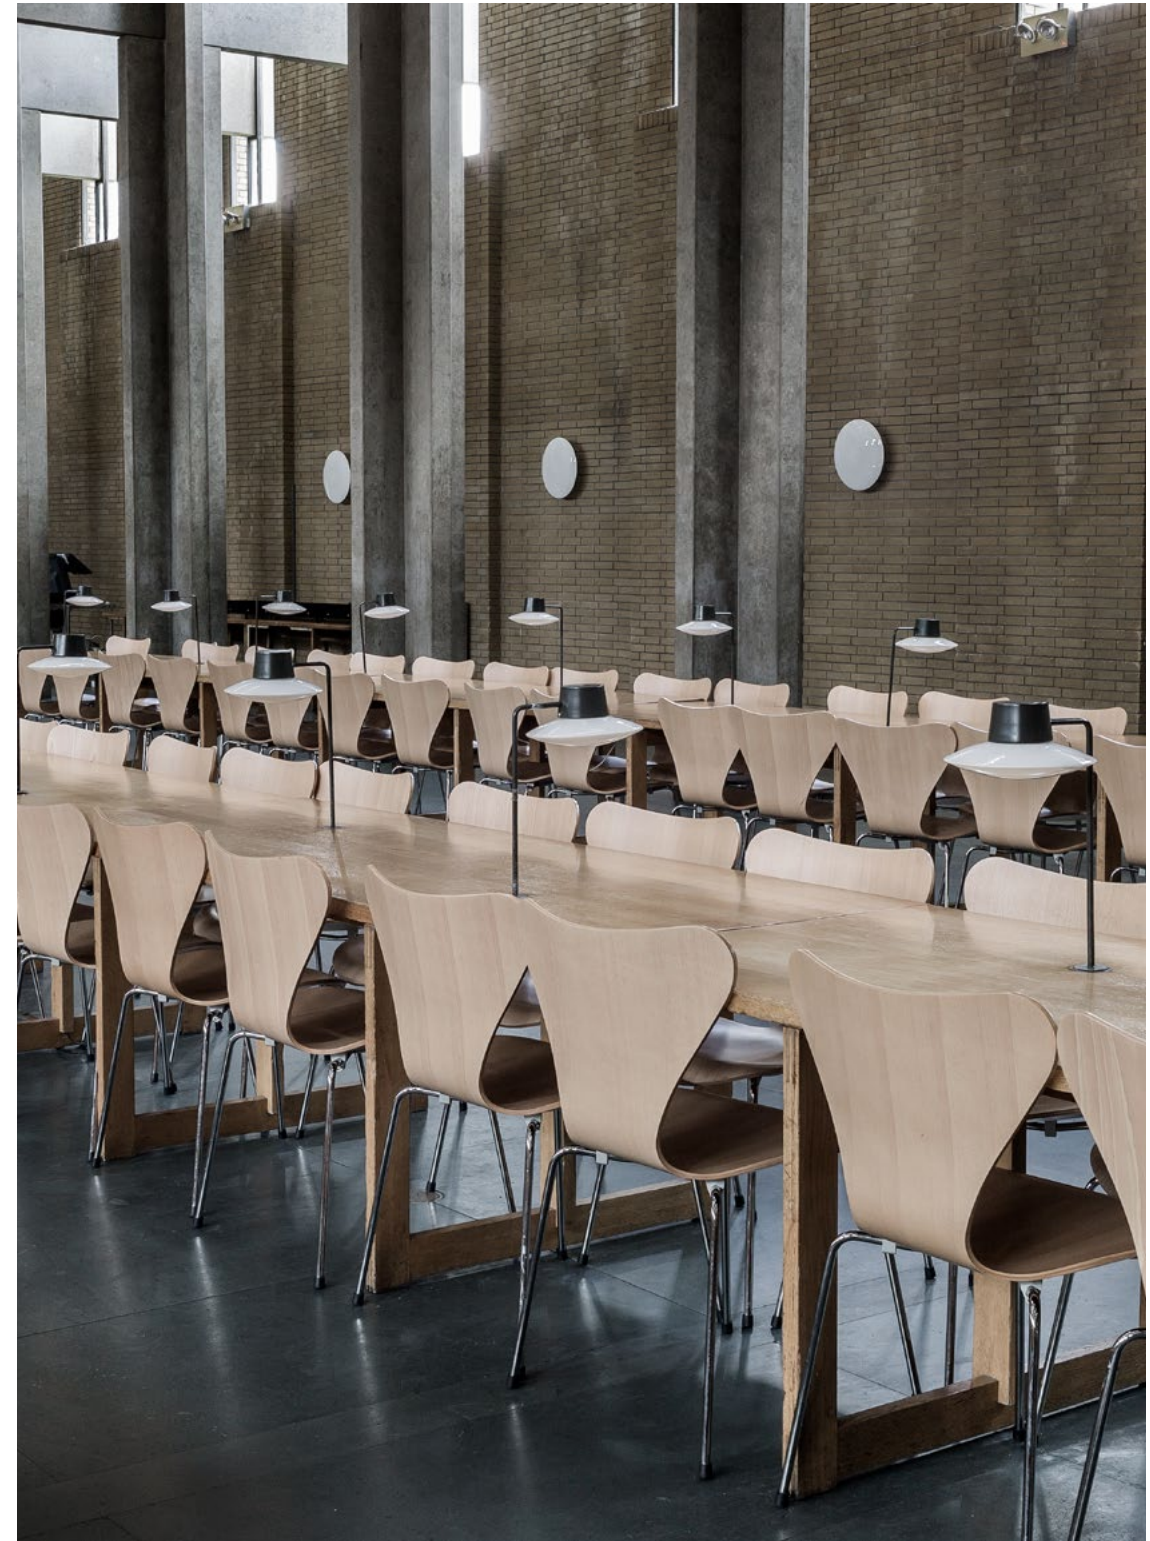

Swan™ lounge chair
Oxford™ chair
Circular coffee table
Series 7™ chair
Series 3300™ lounge chair

SEE MORE

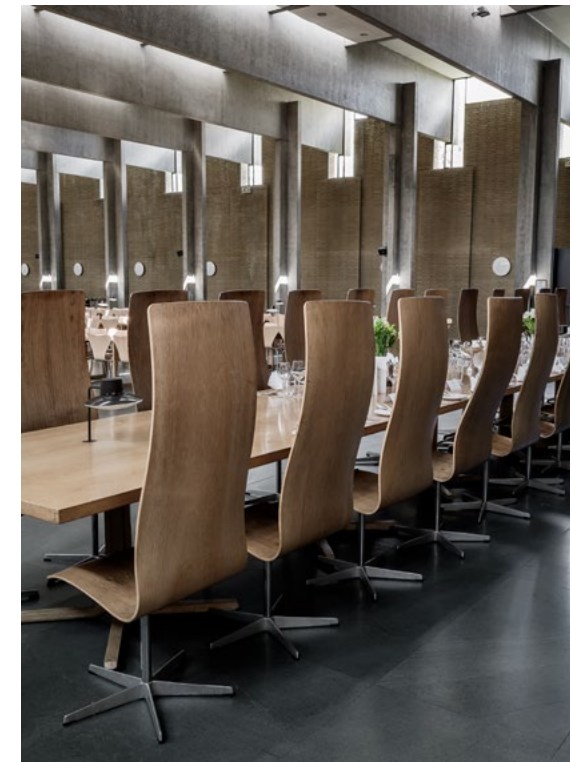

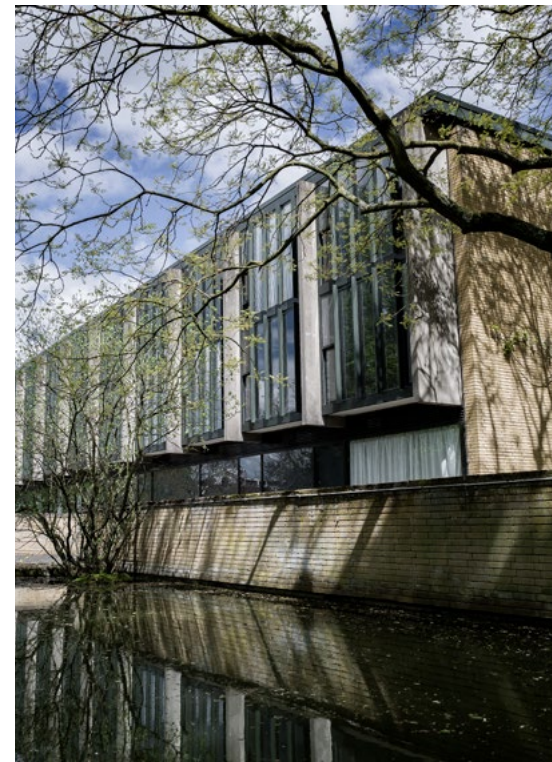

The idea behind St Catherine's College was to balance innovative and traditional elements on Oxford University's campus. In 1957, the university's newest and largest college was to create a unifying building that would set a new standard for college buildings in Oxford and the rest of the world.

Architect: Arne Jacobsen

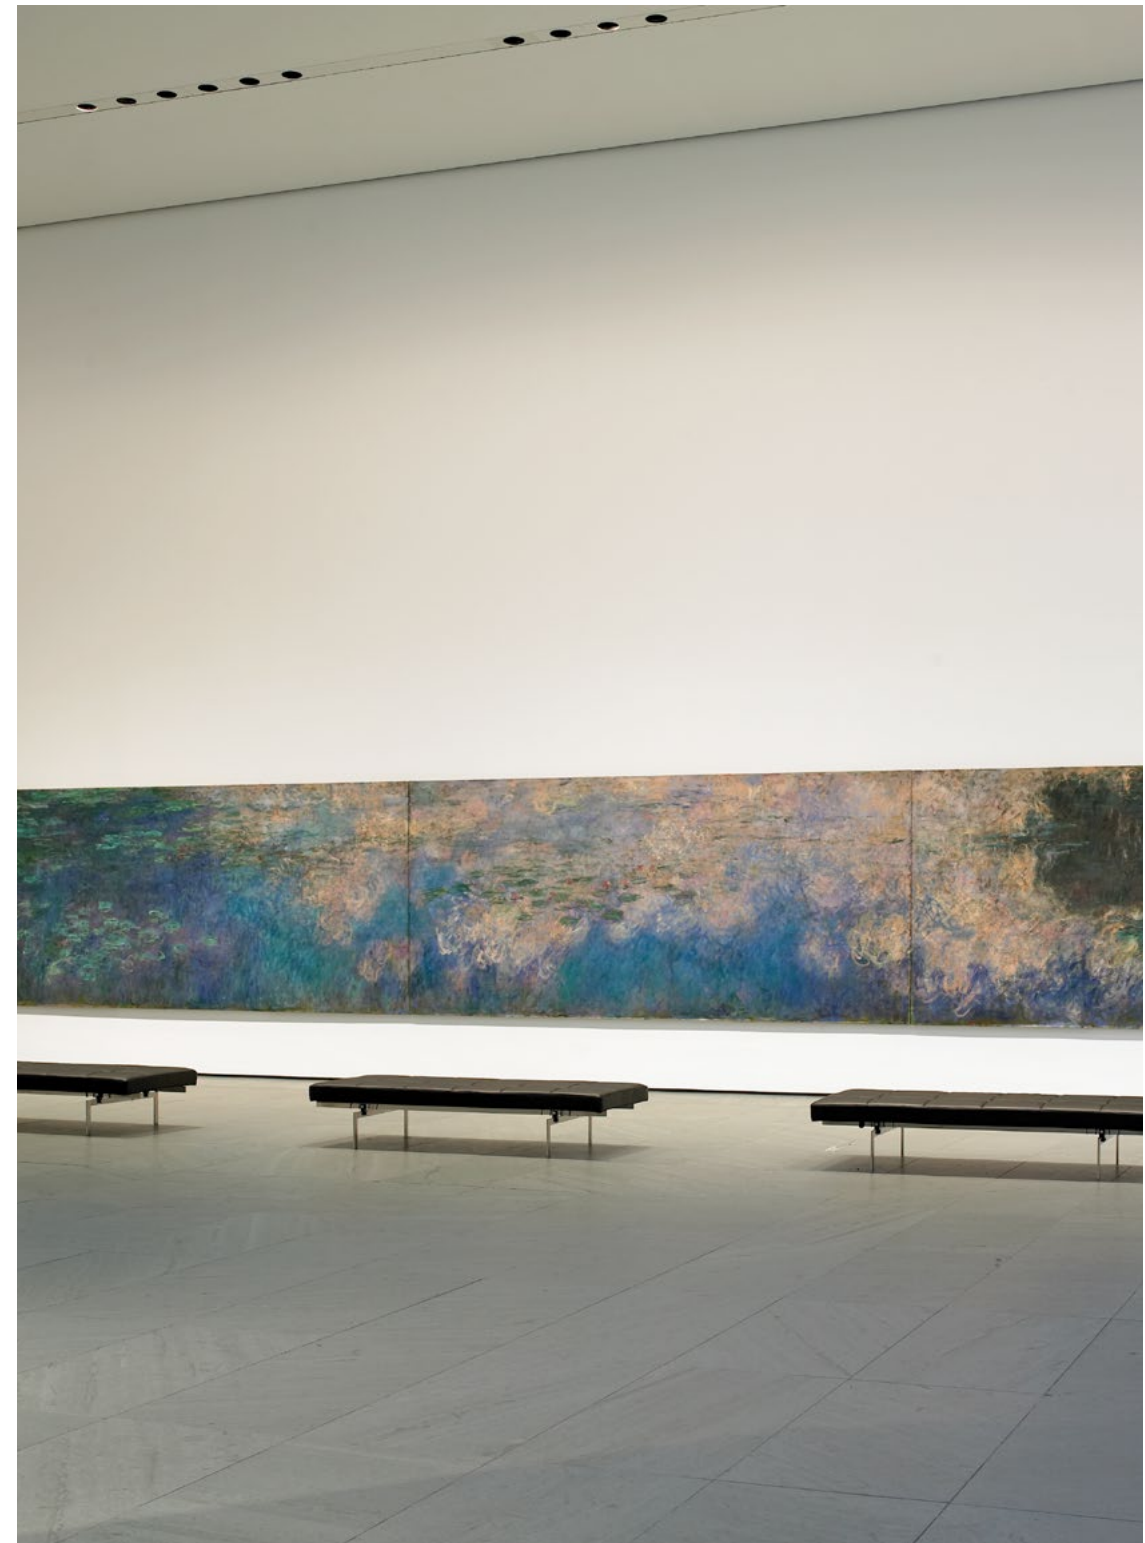

THE MUSEUM OF MODERN ART

Museum
New York, USA

PRODUCTS
PK80™ daybed

In 2004, MoMA redecorated its main building, focusing on Danish design. Danish design principles, which emerged in the mid-20th century, emphasise simplicity, functionality, and craftsmanship, and share a symbiotic relationship with art. It is a design tradition that values functionality and aesthetic expression and offers a compelling narrative within the context of the museum's overall collection.

Architect: Edward Durell Stone & Phillip L. Goodwin
