HOME DECOR COLLECTION

La volontà di VG è quella di partecipare alla creazione di luoghi fortemente caratterizzati, ambienti in cui rifugiarsi per evadere dalla realtà esaltando l'espressione della propria personalità, spazi in cui tornare a respirare e sognare.

Riportare la natura in casa, darle spazio in giardino, costruire una casa colorata e decorata, accostare oggetti luminosi a luci sfolgoranti dal vago sapore orientale, recuperare il contatto con l'autenticità creativa dell'oggetto nato dal pensiero e dalla cultura tipicamente italiana, un'unica commistione di complementi per arredare spazi con un'identità precisa, unica nel suo genere, non moderna, non classica ma in grado di dialogare con ogni stile: questo è l'obiettivo del concept progettuale di VG.

VG participates in creating very distinct environments, spaces in which you can escape from reality; to seek refuge whilst expressing your personality; spaces in which you can breathe and dream.

Bringing nature into your home, giving it space in the garden, building a colourful and decorated house, placing brilliant objects in bright lights with a vaguely Eastern flavour, regaining contact with the authenticity of an object created from a typically Italian concept and culture, a unique mix of furnishings to decorate spaces with a distinct identity, one of a kind, not modern, not classic, yet able to communicate with any style: this is the goal of VG design concept.

The logo consists of the letters 'VG' in a bold, sans-serif font. The 'V' and 'G' are connected at the top, with the 'V' being slightly taller than the 'G'. The letters are a light gray color.

LANTERNS

La luce naturale diventa interprete assoluta dello spazio e del tempo. Nate per essere posizionabili sia in interni sia in esterni, le lanterne VG conferiscono all'ambiente un'atmosfera intima e suggestiva, dal sapore vagamente orientale. Realizzate in acciaio, con finitura satinata per la linea Light of Sultan, lucida per la linea Top, sono disponibili nella versioni da tavolo, da parete e da terra.

Natural light is the absolute interpreter of space and time. Created to be placed either indoors or outdoors, VG lanterns lend to the environment an intimate and evocative ambience, with a vaguely oriental flavour. Made in steel, with satin finish for the Light of Sultan line, polished for the Top line, they are available in the table, wall and floor versions.

ACCESSORIES

La suggestione delle forme è esaltata dal materiale in cui la collezione è realizzata: il vetro. Trasparenza, leggerezza e lucentezza incontrano il design, trasformandosi in oggetti-scultura di raro splendore artistico, che si ispirano al meraviglioso mondo della natura che ci circonda.

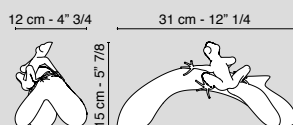

The charm of the shapes is enhanced by the material with which the collection is made: glass. Transparency, lightness and shine meet the design, transforming into sculptured objects of rare artistic splendour, inspired by the wonderful world of nature that surrounds us.

HOME PARFUM

FRAGRANCE HOME

Una fragranza vigorosa, ispirata alle sensuali note della vaniglia del Madagascar e della magnolia, avvolge come un abbraccio morbido e felpato, terminando in un raffinato accordo di rosa e ylang ylang.

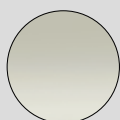

A vigorous fragrance, inspired by the sensual notes of Madagascar vanilla and magnolia, enwraps like a plush and gentle embrace ending in a refined harmony of rose and ylang ylang.

FRAGRANCE BLUME

L'armoniosa sinfonia di aromi mediterranei come gli agrumi e la lavanda è esaltata dall'ambriata essenza del muschio legnoso, in una profumazione rilassante ed energica allo stesso tempo.

A harmonious symphony of Mediterranean aromas, such as citrus fruits and lavender, is exalted by the amber essence of woody musk in a relaxing yet vigorous fragrance.

FRAGRANCE LIGHTING

Un'essenza calda, conturbante e attuale come l'incontro tra l'Oriente, da cui provengono le preziose essenze del benzoino di Siam e del vetiver, e l'Occidente, terra del bergamotto e del mandarino d'Italia.

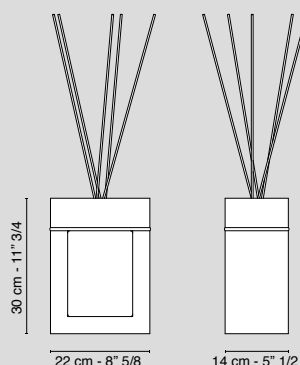

A warm essence, as thrilling and topical as an encounter between the Orient, origin of the precious essences of Siamese benzoin and vetiver, and the West, land of the Italian bergamot and mandarin.
