Tailor made in Italy

our story of light

40th Anniversary
of experience in luxury lighting

Today at its 40th year of activity, PATRIZIA GARGANTI gives birth to unique products, the greatest expression of the traditional Italian arts and craft.

Every light is realised on commission, according to specific needs of the clients, a feature of pride, quality and prestige. PATRIZIA GARGANTI brand gathers four collections that interpret lighting in several styles, making them suitable for any genre of decor:

BAGA collection, a historic line of the company, BESPOKE 01 and BESPOKE 02 born from the collaboration with internationally famous architects, and ME the soul light.

 Florence, ITALY

The head office in Florence hosts today artisans and production technicians, sales offices, logistic and design staff. Skills, experiences and abilities gathered in one group, that made this company a landmark.

to be inspired.

a company made of

light, people, passion

In every PASSIONATE team shines
a shared vision of mission, work and life.

We believe it takes
profound inspiration and great teamwork
to create magnificent objects
in order to draw, choose, realise, assemble
the most emotional and impressive
LIGHTS.

Our passion burns in a visionary continuous journey,
where every little inspiration, EMOTION, situation
starts to take shape, gently,
as to become real.

Another extraordinary example of what we like to do.

experience

We believe that a perfect mix of history and progress can generate products with an incredible originality.

An elegant and “human” production process can give our products a kind of soul, that can express its magic in any environment.

We are glad to imagine, design and create your next extraordinary lighting

and to be astonished with you.

and an exceptional care

Behind the company

Patrizia Garganti, designer of BAGA since the early days, gives today her name to the company that manufactures and distributes the historical brand, enriching the production with new collections.

Today Patrizia personally oversees all faces of production with passion and patience, making the company a collaborative and friendly environment.
