Designing the luxury

since 1905

Medea viene fondata a Meda nel 1905 in pieno periodo "Liberty", specializzandosi nella produzione di mobili esclusivi in stile Art Nouveau e passando negli anni da azienda familiare a punto di riferimento dell'artigianato Made in Italy.

Medea è oggi considerata una delle più storiche aziende italiane dell'arredamento di alta classe ed è riconosciuta in tutto il mondo per la qualità dei suoi prodotti e la versatilità della sua produzione da sempre tesa a soddisfare le più disparate esigenze dei propri clienti.

Medea, anche grazie alla stretta collaborazione con un'altra società di famiglia, la "Tagliabue Fratelli", si presenta oggi come uno dei principali partner internazionali a servizio dei clienti più illustri nello sviluppo e realizzazione di importanti progetti "turn key".

Grazie all'esperienza di oltre 30 anni maturata a livello internazionale, la **Contract Division** vanta una versatilità d'intervento in progetti assai eterogenei tra loro, dalle residenze private al mondo dell'hospitality&leisure e dello yachting.

***Medea** was founded in Meda in 1905 during the "Liberty" period, specializing in the production of high quality furniture in Art Nouveau style and developing from a family-owned company to become a reference point for Made in Italy's craftsmanship.*
