Mission |

Home is a personal space, a lifestyle's everyday expression. MARONESE ACF® interprets customers tastes and sentiment, presenting the guidelines for in-stores exhibitions. We've selected moods, combinations and colors to best highlight our Collections and represent our Corporate Identity in selected contexts.

Obiettivo |

La casa è uno spazio personale, espressione quotidiana di uno stile di vita. MARONESE ACF® traduce i gusti e le tendenze del pubblico presentando le linee guida per il progetto espositivo dei punti vendita. La selezione di mood, accostamenti e colori ambienta le nostre collezioni in contesti d'arredo selezionati e comunica al meglio l'identità aziendale.

Spazi espositivi coordinati

Le configurazioni d'arredo sono studiate per mettere in dialogo gli spazi espositivi e valorizzare l'estetica MARONESE ACF®. Rappresentano al meglio la vastità di gamma degli arredi e dei complementi. Ogni composizione è seguita dai dettagli di allestimento, con schede complete di materiali, misure e finiture.

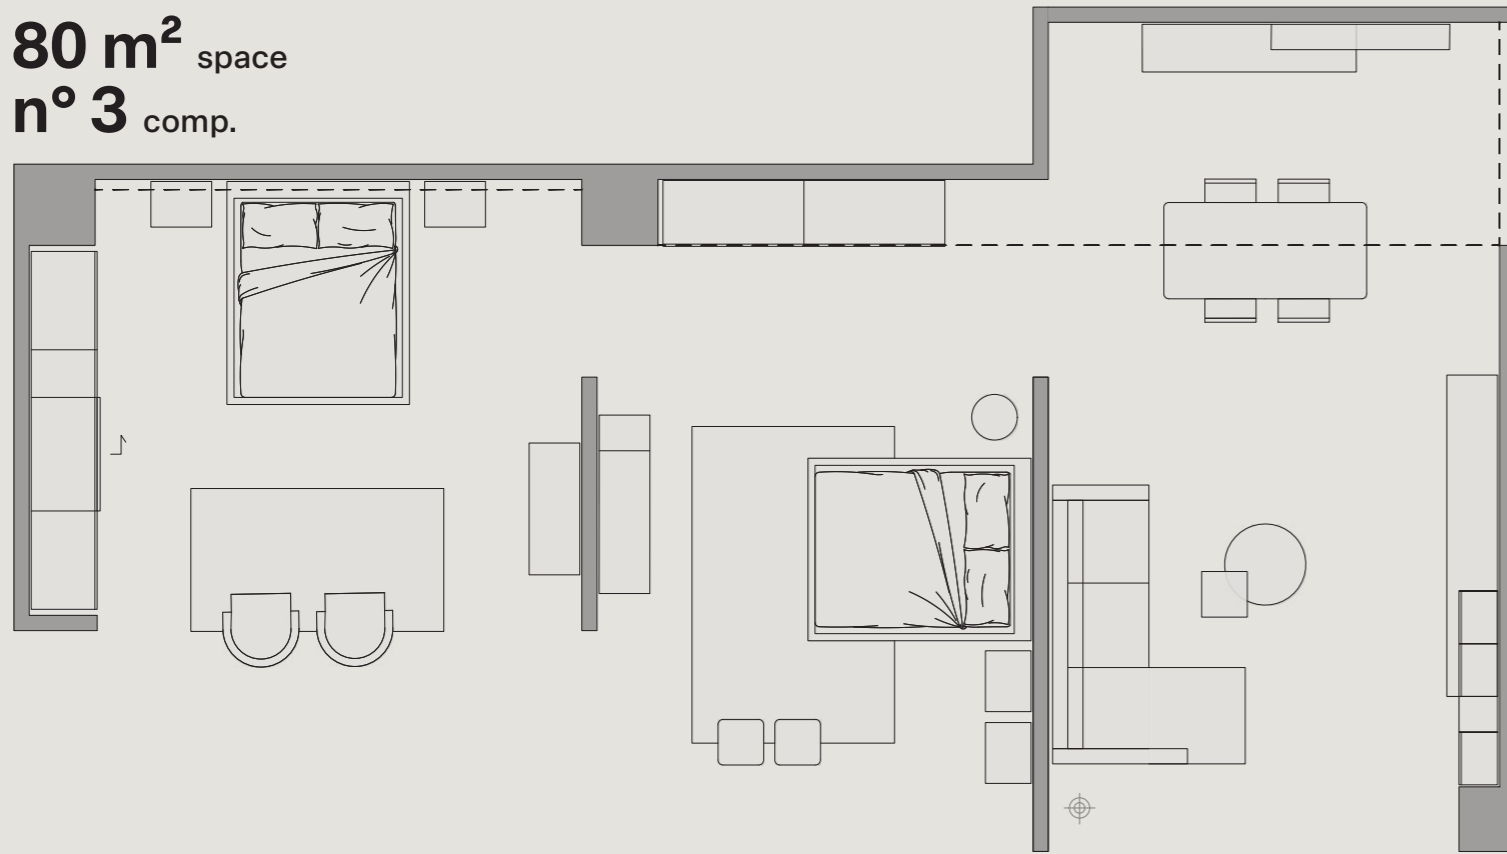

Coordinated environments

The exhibition proposals are designed to connect the store spaces and enhance MARONESE ACF® aesthetic. They represent the wide range of available furnishings and accessories. Every composition has its set-up details and all the informations about materials, dimensions and finishes.

Materioteca MARONESE ACF® | MARONESE ACF® materials Library

MARONESE ACF® seleziona con scrupolo i materiali e le finiture che rappresentano il suo personale concetto di stile in accordo con i principi di qualità e sostenibilità produttiva. La Materioteca è uno strumento semplice da consultare: un espositore completo d'ispirazioni per abbinamenti tra melaminici, essenze, tessuti, ecopelli, vetri e laccati.

La dotazione di campionario della materioteca è progettata da MARONESE ACF® in base allo spazio espositivo.

MARONESE ACF® carefully selects materials and finishes, representing its own exclusive style concept, according to the guidelines of quality and production sustainability. The Material wall is a simple but effective tool, which highlights the reasons for our choices: a complete display of suggestions for matches of melamines, essences, fabrics, eco-leathers, glass and lacquers from the collection.

The materials library equipment is designed by MARONESE ACF® on the basis of the available space.

Pareti grafiche e pannelli

A richiesta e compatibilmente con lo spazio espositivo, MARONESE ACF® dota i punti vendita di pareti grafiche e pannelli illustrativi. Conferiscono immediatezza alla comunicazione e al contempo permettono di separare gli ambienti dello showroom, mantenendone il coordinamento estetico.

Graphic walls and panels

Upon request and in accordance with showroom space, MARONESE ACF® equips retail stores with graphic walls and illustrative panels. They facilitate communication with the audience and organize the showroom areas, maintaining their aesthetic coordination, at the same time.
