*Florence Heritage*

## CREATED IN FLORENCE, INSPIRED BY THE WORLD

The unique, original and recognisable Devon&Devon design is the result of a wise combination of functionality and aesthetics, of contemporaneity and inspirations coming from the past. The company was founded in Florence in 1989. The exceptional craft, artistic and architectural tradition of Florence is the ideal basis of the brand's love for the quality raw materials and the craftsmanship of the handworks, celebrated all over the world since the days of the ancient craft guilds geometrical designs and the sobriety of the shapes and colours, all inspired by the decorations selected by the great architects for the churches and buildings that made the city unique.

*Il design unico, originale e riconoscibile di Devon&Devon è il frutto di una sapiente commistione tra funzionalità ed estetica, tra contemporaneità e ispirazioni che vengono dal passato.*

*L'azienda è nata nel 1989 a Firenze. La straordinaria tradizione artigiana, artistica e architettonica della città è il fondamento ideale dell'amore del brand per la qualità delle materie prime e la maestria delle lavorazioni fatte a mano, celebrate nel mondo fin dai tempi delle antiche corporazioni dei mestieri; per l'armonia delle geometrie e la sobrietà delle forme e dei colori, tutti ispirati a quelli scelti dai grandi architetti per le chiese e i palazzi che hanno reso unica la città.*

*The artisans' touch*

## LOVE FOR QUALITY

The value of Devon&Devon authenticity is the result of its love for design and dedication to the quality of raw materials. It is the result of its attention to the excellence of the productive processes and the passion for craftsmanship and for the talent of those who work with us. A large part of the production is manufactured in Tuscany, the cradle of millenary manufacturing knowledge. The other small production units, which are all European, are found in Italy and England: in each area Devon&Devon enhances the skills of those who, every day, select, sculpt, work, polish, model, decorate and finish their products. This heritage, passed on from one generation to another, is the most credible guarantee of unparalleled quality and value.

*Il valore dell'autenticità Devon&Devon è frutto dell'amore per il design e della dedizione alla qualità delle materie prime. Dell'attenzione all'eccellenza dei processi produttivi e della passione per la maestria degli artigiani e per il talento di chi lavora con noi. Gran parte della produzione è realizzata in Toscana, culla di saperi manifatturieri millenari. Le altre piccole unità produttive, tutte europee, si trovano tra l'Italia e l'Inghilterra: in ciascun distretto Devon&Devon valorizza le competenze di chi ogni giorno sceglie, scolpisce, lavora, lucida, modella, decora e rifinisce i suoi prodotti. Questo patrimonio di saperi tramandati di generazione in generazione è la garanzia più credibile di una qualità e di un valore ineguagliabili.*

*A journey through a timeless collection*

## A TIMELESS ATTITUDE

The timeless beauty of products and designs has always been the cornerstone of Devon&Devon's philosophy of living. In fact, since its origins, it has merged the inspirations from the Florentine Renaissance with the atmospheres of European tradition and with the charm of architectures and the most refined American design of the 20th century. Traditions forgotten or considered as outdated are continuously rediscovered, reinterpreted and translated into creations with a unique taste and timeless charm. The contemporary classic style by Devon&Devon, with its exceptional refined stylistic perfection, is an exaltation of many ways of interpreting beauty. It is inspired by far-off and remote suggestions: the Victorian Age and the French Eighteenth Century; Neoclassicism and American Art Deco; Art Nouveau and the Jazz Age; La Dolce Vita and Hollywood; the Belle Epoque and the Fifties.

*La bellezza senza tempo di prodotti e progetti è da sempre il fondamento della filosofia dell'abitare di Devon&Devon che, fin dalle sue origini, fonde le ispirazioni del Rinascimento fiorentino con le atmosfere della tradizione europea e con il fascino delle architetture e del più raffinato design americano del 900. Tradizioni dimenticate o considerate superate sono continuamente riscoperte, reinterpretate e tradotte in creazioni dal gusto unico e dal fascino senz'atempo. Il classico contemporaneo di Devon&Devon, con la sua straordinaria pulizia formale, è un distillato di molteplici modi di intendere la bellezza. Lo animano suggestioni lontane nello spazio e nel tempo: l'Età Vittoriana e il Settecento Francese; il Neoclassicismo e l'Art Déco americana; il Liberty e la Jazz Age; la Dolce Vita e Hollywood; la Belle Epoque e gli Anni Cinquanta.*

*A new concept of home*

## RETHINKING SPACES SINCE 1989

Devon&Devon has invented and reinvented products that have forever changed the way in which we experience the bathroom. In 1989, when enclosed baths were in fashion, the company launched the first Victorian design bathtub, transforming the bathroom from a functional place into a beautiful and unique environment dedicated to personal care. In 1991, the first 30 cm-diameter shower head was introduced: it looked like an exaggeration, but it became a universal trend. Since then, everything has been reinvented: the console (which until then was used only in the entertainment spaces of the most important residences) has appeared in the bathroom and wood paneling was re-proposed as a ceramic coating. Devon&Devon's history - made of recovered traditions and redefined functions - is a constant declaration of courageous unconventionality.

*Devon&Devon ha inventato e reinventato prodotti che hanno cambiato per sempre il modo di vivere la stanza da bagno. Nel 1989, epoca di incassate, propone la prima vasca vittoriana di design e il bagno smette di essere un luogo-funzione per diventare un ambiente bello e unico dedicato alla cura di sé. Nel 1991 arriva il primo testa-doccia di 30 cm di diametro: sembrò un'esagerazione, ma è diventato un trend universale. Da allora è stata tutta una re-invenzione: la consolle (fino ad allora utilizzata soltanto negli spazi di rappresentanza delle dimore più importanti) fa la sua comparsa nella sala da bagno; la boiserie in legno viene riproposta come rivestimento in ceramica. La storia di Devon&Devon - fatta di tradizioni recuperate e di funzioni ridefinite - è una dichiarazione continua di coraggiosa anti-convenzionalità.*
