MINIMAL WITH ATTITUDE. MADE IN ITALY

At Plato Design, we create lighting that fuses minimalist design with the raw elegance of concrete and colours.

Our motto, "Minimal with Attitude," captures our essence - simple yet distinctive.

Each lamp is designed and meticulously handcrafted in our workshop, nestled in the picturesque valleys between Umbria and Tuscany. Here tradition meets innovation and every piece tells a story of Italian craftsmanship and timeless beauty.

2

Ada wall in Olive Green and Mustard Yellow
