EVOLUTIONARY

BONALDO

EVOLUTIONARY

Un arredo è una città in cui non siamo mai stati. Inizia ad apparire a partire da dettagli che ancora non abbiamo visto: prospettive libere, suggestioni e punti di vista che prendono vita sotto forma di architetture, immagini, famiglie di oggetti utili e necessari nel vivere lo spazio.

L'evoluzione del B/Style si svolge così, prendendo corpo passo passo, come l'interno di una città: un incedere né veloce né lento, che trasmette le sapienze della manifattura e le qualità dell'innovazione nei tratti di un design che, ancora una volta, significa qualcosa di più che "design". Oltre archetipi, ispirazioni e rimandi, la Collezione 2024 di Bonaldo è esito di un'orchestrazione ampia, fatta di intersezioni e sottrazioni di linee e stili, di monoblocchi e di misure: perché ogni spazio deve essere sostenibile, al di là delle scansioni nel tempo.

Poltrone e divani, scrivanie e librerie, letti e cassetiere – interpreti disinvolti sia del mondo residenziale sia dell'hospitality – custodiscono così la chiave per attivare il comfort armonico dell'arredo. La natura è nei tratti dei materiali, nelle morbidezze del disegno, nell'addolcimento delle forme che si irradiano di luogo in luogo e di atmosfera in atmosfera.

Una nuova voce si prepara per diffondersi nella commedia della bellezza, della quale non resta che nominare i personaggi: A. B. C. D...

A stylish set of furniture is like a city we've never been to. It begins to appear starting from details that we haven't yet seen: free perspectives, suggestions and points of view that come to life in the form of architecture, images and families of objects that are both useful and necessary for living spaces.

This is how the evolution of B/Style unfolds. It takes shape step by step, like the inner spaces of a city, following a pace that is neither fast nor slow and which transmits the knowledge of manufacturing and the qualities of innovation in the features of a design which, once again, means something more than just "design". Beyond archetypes, inspirations and references, Bonaldo's 2024 Collection is the result of a broad orchestration, made up of intersections and subtractions of lines, styles, monoblocks and measurements: because every space must be sustainable, going beyond timescales.

Armchairs and sofas, desks and bookcases, beds and chests of drawers – all these casual interpreters of both the residential and hospitality worlds thus hold the key to activating the harmonious comfort of the furniture. Nature is found in the features of the materials, the gentleness of the design and the softening of the forms that shine forth, from place to place and from atmosphere to atmosphere.

A new voice is preparing to make itself heard in the comedy of beauty, and all that remains to be done is to name the characters: A. B. C. D...
