THE BEVERLY COLLECTION

Ispirata all’iconico quartiere di Beverly Hills a Los Angeles,
The Beverly Colletion è composta di pezzi ricchi di
personalità, proprio come gli abitanti di questo quartiere.
Le movie stars adorano essere riconoscibili ed avere case
arredate in modo originale, elegante, esclusivo ed intemporale,
come l’immagine di se stessi che vogliono dare al mondo: divi per sempre.
Con questo pensiero INEDITO ha creato una collezione non di mobili
ma di oggetti decorativi con questa funzione, ricchi di personalità,
capaci di rendere unici gli ambienti che li accoglieranno
e solo pochi fondamentali accenti di lusso a completare la loro ricercatezza.
Progetto e direzione artistica di Giannella Ventura.

Inspired by the iconic city of Beverly Hills in Los Angeles,
The Beverly Collection is made up of pieces with marked personality,
just like the citizens of this famous town.
Movie stars love being recognised and having homes with original, elegant,
exclusive and timeless furnishings, an extension of their own image, which they present to the world.
They want to be stars forever.
This is the idea that inspired INEDITO to create a collection, not of furniture, but of decorative objects
with this function: rich in personality and able to make any room unique when they are placed there.
Only a few basic luxury accents are needed to complete their sophisticated image.
Design and art direction by Giannella Ventura.
