THE MAJORS COLLECTION

La Majors Collection si ispira a linee e dettagli stilistici presenti nella memoria, ma ripensati per un prodotto contemporaneo e più personalizzato, dove al valore estetico si unisce l'esigenza di una seduta più confortevole, eseguita da mani esperte.

The Majors Collection is inspired by lines and stylistic details that take us back to our memory, yet redesigned for a contemporary custom-made product. Aesthetic values are combined with the need for a more comfortable seat, made by expert hands.

THE HAMPTONS COLLECTION

THE HAMPTONS COLLECTION

Oggetti d'arredo di forte carattere.
Differenti, come pezzi da collezione.
Da inserire in progetti frutto di ricerca e dove il lusso è dato dall'unicità ed originalità degli elementi che li compongono.
In sostanza dettagli d'arredo come accessori haute couture per ambienti esclusivi.
Progetto e direzione artistica di Giannella Ventura.

Furnishings with a strong personality.
Different, like collectors' items.
To be included in projects stemming from a profound research, in which luxury is dictated by the uniqueness and originality of its constituting elements.
In short, furnishings that play the role of haute couture accessories, for settings with a truly exclusive feel.
Design and art direction by Giannella Ventura.
