Linea Vertigo design dai Zurich has won a Good Design Award
as awarded by The Chicago Athenaeum
The collection is in the Permanent Design Collection
of The Chicago Athenaeum
Museum of Architecture and Design.

Reduction to the essentials.

Attraction lies within the lines,
the form.

Perfectly clear.

Linea-Vertigo.

ALTEK is an Italian family-run company, now in the hands of the fourth generation. As a tribute to their great experience in furniture manufacturing, the philosophy of Linea-Vertigo is based on tube bending. That is why the Vertigo language is simple, straightforward and true.

Vertigo stands for simplicity and reduction, for functional design and refines aesthetics. For bent steel tubes and black varnished wood to be precise.

Linea-Vertigo.
