Simone Bugiani
General Director

Our passion for our work, along with our dreams, determination and continuous research into excellence has led us into 2017 a year of new challenges that we must face with the same enthusiasm as before. We are aware of the need to improve but we are comforted by our wealth of knowledge and experience, both distinctive and unique, much like our design solutions.

We would like to thank you all.
Customers, designers, suppliers, contractor and architects, all those who have accompanied us on this journey, It has been a long 47 year journey of light-heartedness, quirks, challenges, excitement and difficulties, but we have always experienced great personal and professional satisfaction.

bedding atelier today: Today we define our brand as a leader in innovative works, providing handmade Italian products since 1970 - a great source of inspiration and immense pride for us.

in the region, a brand focused on design
and ideas that are being realised
through our immense passion.

representing much more than just
the aesthetic value.

Our limited edition collection
presents objects that have been designed,
created and dedicated to Pistoia,
while subtly referring to the understated

with culture, literature.

We would like to thank you
for your valued interest throughout 2017.
We hope to see you in Pistoia, Tuscany, soon.
