## **A journey outside** Un viaggio all'esterno

**It is an attractive and unusual journey we are embarking on.**

**Discovering, between private space and enveloping nature, the values that permeate our choices. The same values that define our identity.**

È un viaggio attraente e insolito quello che stiamo intraprendendo.

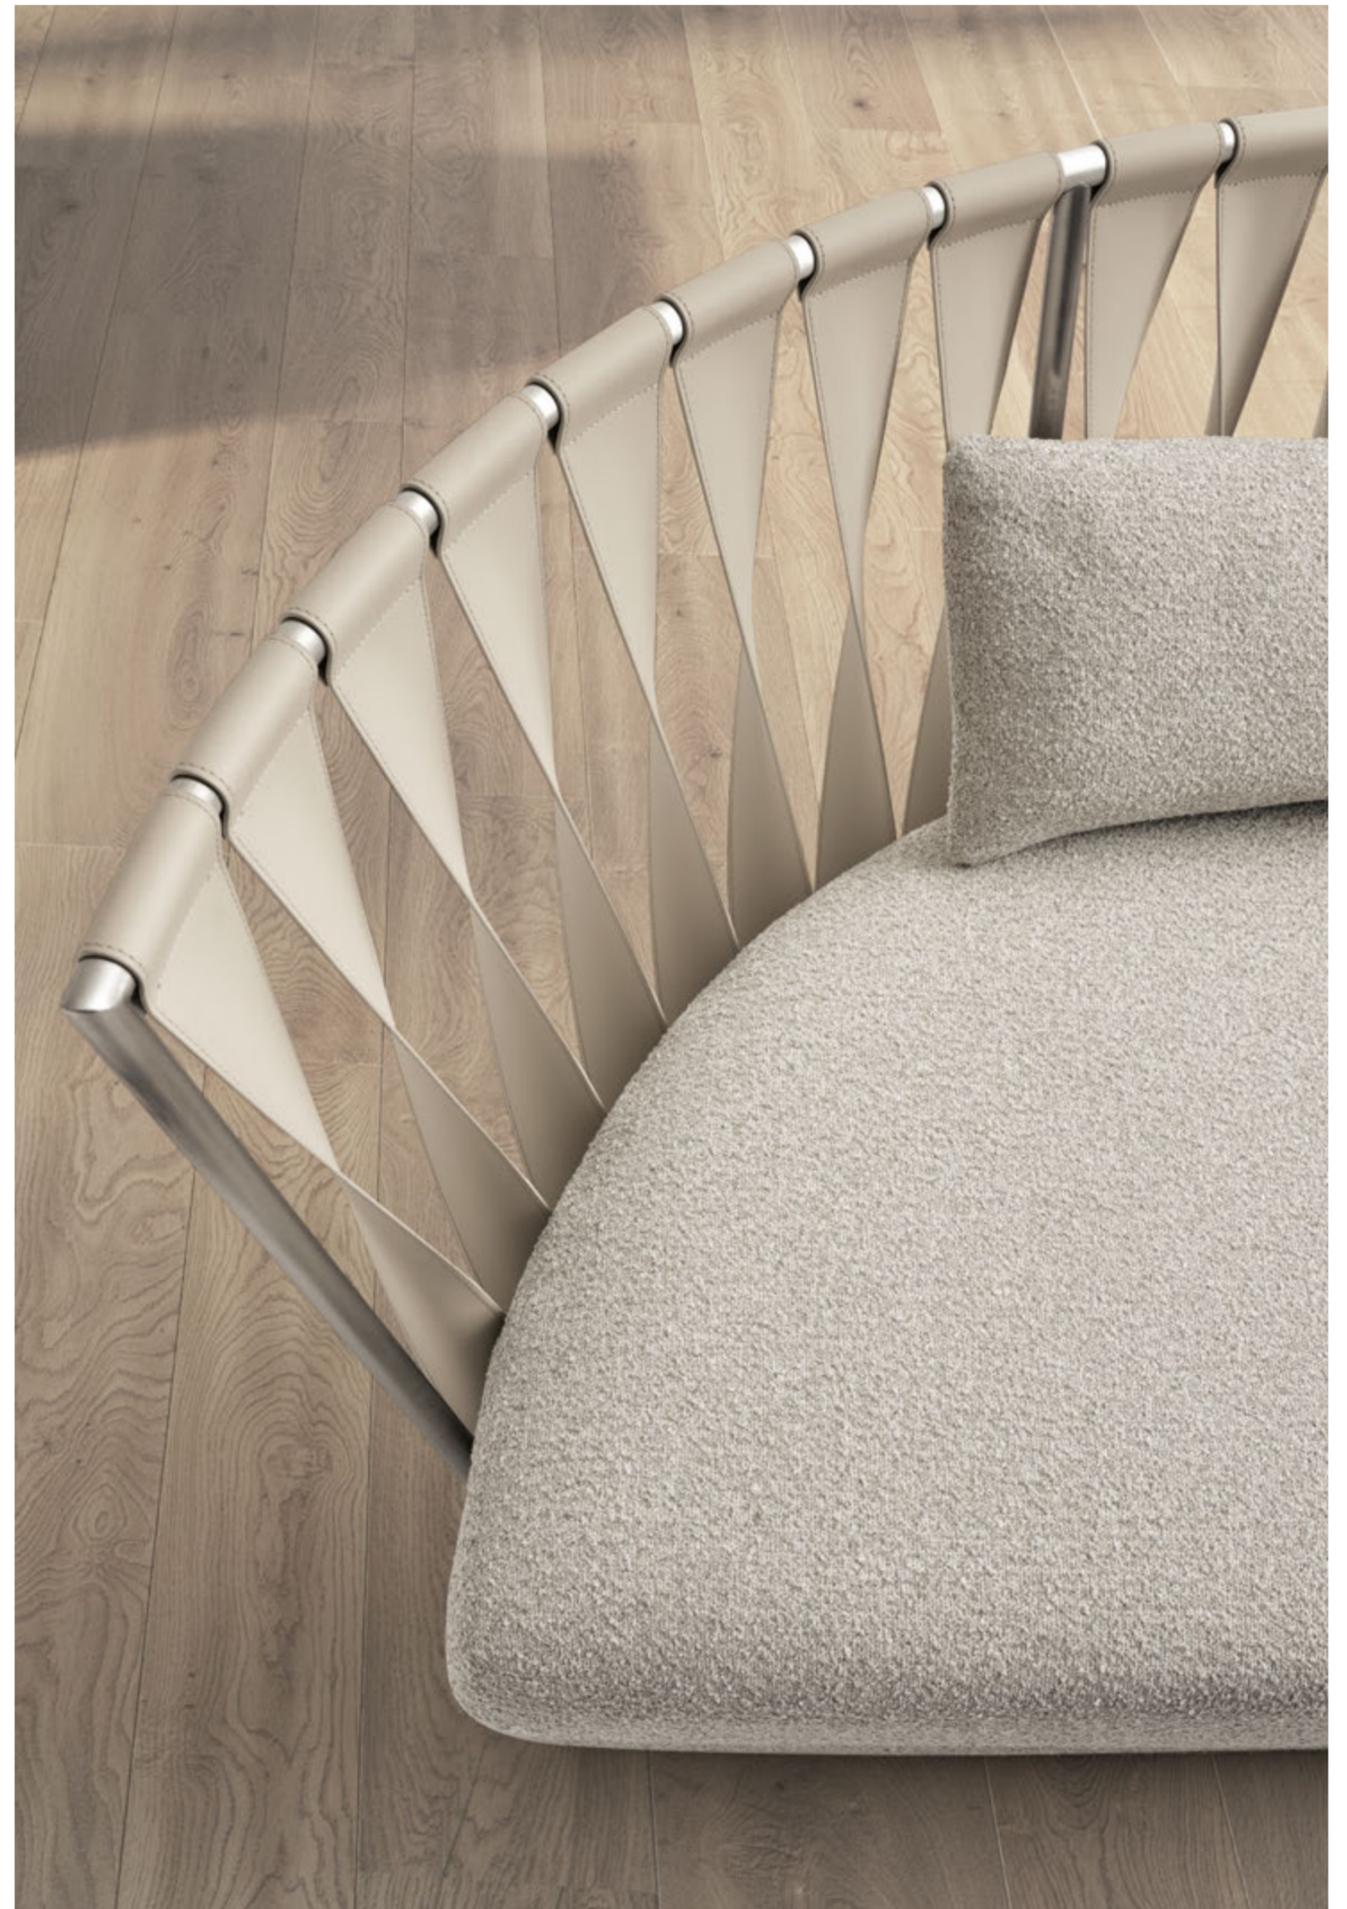

Scoprire, tra lo spazio privato e l'avvolgente natura, i valori che permeano le nostre scelte. Gli stessi valori che definiscono la nostra identità.
