CORNELIO CAPPELLINI

haute couture OF INTERIORS

haute couture OF INTERIORS is the name of the luxury furniture and lightings collection by CORNELIO CAPPELLINI.

Actually, the terms “Alta moda” in Italian and “Haute Couture” in French identify the luxury clothing sector of the dressmaking.

It is indeed this concept that gave inspiration to the company CORNELIO CAPPELLINI for the identification of the new collections.

The term *haute couture* has been combined to the expression OF INTERIORS to make our even more international customers understand our efforts to carry the Haute Couture fashion tradition of the extreme luxury into the interior design world.

Most customers know that light and pearl coloured lacquers make more elegant even the sinuous lines of each model of our collection.

The detailing such as crystals and glasses, precious metals, luxuriant fabrics and leathers featured in the shows by the new Italian fashion collections, lends a deep sense of harmony.

Like every Haute Couture clothing, the very high customization level of the design, construction, finish and upholstery makes each item a unique and exclusive piece.

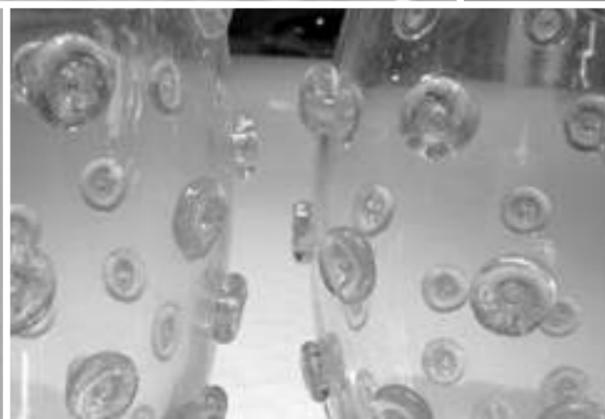

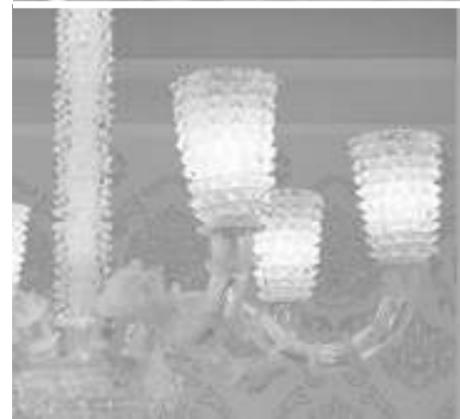

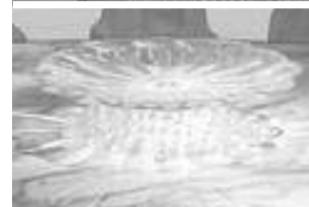

All CORNELIO CAPPELLINI collections are **made in Italy**, from the design till the product is finished and ready for sale.

In Italy there are long-established furniture making traditions and CORNELIO CAPPELLINI is located in the heart of Brianza, the oldest center of furniture manufacturing that boasts a position of excellence in the World.

The company believes in the Made-in-Italy philosophy and our Country is recognized all over the world as the leader in terms of furniture creativity, fashion and lifestyle in general.
