AD & DESIGN: MAX CASPANI DESIGN

A handwritten signature in black ink, appearing to read 'Max Caspani', located at the bottom right of the page.

## PHILOSOPHY

Caspani Home nasce da un'intuizione profonda e da un'esigenza sempre più delineata di miscelare lo spirito innovativo e rivoluzionario dello stile più glamour e contemporaneo con l'eleganza ed il portamento indiscutibile degli stili classici.

Gli scambi sinergici e culturali con il mondo del design e con le correnti di stile contemporaneo, così come la forte vicinanza al mondo della moda e dell'architettura, rappresentano la forza esplosiva ed innovativa del brand.

Caspani Home interpreta il suo stile nelle correnti di design multiethniche e contaminate da molteplicità di stili e linguaggi che convivono insieme.

Caspani Home coglie il senso di una nuova visione, in cui le identità dei territori e le tradizioni si miscelano al dinamismo metropolitano ed alle tendenze di un mondo globalizzato ed in continuo mutamento.

Così, quando passato e futuro si incontrano, creano collezioni capaci di convivere tra loro. Come nella vita, le differenze diventano un punto di forza, trasformando i contrasti stilistici in elementi di interesse.

Caspani Home si appropria di una nuova Armonia fatta di tenui contrasti, capace di sviluppare il suo progetto in continue alternanze di Emozioni.

Caspani Home non può vivere di compromessi e fa della qualità ai massimi livelli il suo elemento legante.

Una qualità cercata quotidianamente, nei minimi dettagli, garantita da un indotto e da una manodopera unica al mondo che fa dell'Italia e del made in Italy un bene insostituibile e prezioso, come unici ed insostituibili sono i nostri prodotti, garantiti da una certificazione di origine 100% made in Italy.

Ogni prodotto Caspani Home rappresenta l'unicità della nostra e delle vostre scelte fatte all'insegna della bellezza.

*Caspani Home was born from a deep intuition and an ever more powerful demand of the international furniture market to mix innovative and revolutionary spirit of glamour contemporary style together with refinement and unquestionable posture of classic styling cues.*

*Synergetic and cultural exchanges with design world and with contemporary style trends as well as strong affinities with fashion and architecture are the extraordinary power of an innovative brand.*

*Caspani Home interprets its own style in multiethnic design tendencies blended with a variety of styles and languages that coexist with one another.*

*Caspani Home grasps the meaning of a new language, in which territorial identities and traditions mix with urban vitality and trends of a globalized and ever changing world.*

*So, when past and present come together they create collections able to coexist, where, as in life, differences become strength, turning style contrasts into elements of interest.*

*Caspani Home takes over a new harmony, made of soft contrasts and which is able to play in the project with constant succession of Emotions.*

*Caspani Home cannot live by compromises and its connecting element is represented by quality at the highest level.*

*Quality is pursued daily in great detail and it is guaranteed by a Certificate of Origin 100% made in Italy. Each Caspani Home item represents the uniqueness of our and Your decision made in the name of Beauty.*

“Beauty itself doth of itself persuade the eyes of men without an orator”

William Shakespeare

## THE ART OF INLAY ANCIENT TRADITION FOR MODERN DESIGN

Inlay is a type of decoration which is accomplished by combining small pieces of wood or different materials of different colours.

This technique consists in approaching woods, and sometimes other materials (ivory or motherpearl), cut so as to match perfectly, until obtaining a particular drawing.

The difference in colours depends on the colours of the various species, further varied according to the cut and inclination of the grain, which may change reflection of light on the surface.
