Davanti a San Guido

I cipressi che a Bólggheri s'innalza

quasi in cima pignola gemmata

mi salommo levante e mi guarda

Mi ricorda, e... Ma tanta pace

non ha mai vista in T. e in G. e in

che il la sera e a la sera il capanno

Oh solido a la notte anche indiano

una volta dai suoi il diamante

tra non a veruno de la natura

Ma d'ora volta, oh non fanno più male!

Nell'armonia sono di risorgere

Ma perché fuggi rapido così?
