LAZY SUSAN

With two Lazy Susans in a dining room, you can serve
three courses in a continuous loop of service with ease.

SP1 with Lazy Susan in the kitchen or the dining room
can be used to be placed on the table surface.

FINISHES
SP1 Full Marble with Lazy Susan: The most popular finish for the
table, available in black, white, and grey.

SP1 Full with Lazy Susan: Simple and elegant.

100x magnification
Lymphocytes are present in the interstitium, indicating an inflammatory response.
The tissue is highly cellular, with many small, dark-staining nuclei.
The overall appearance is consistent with a highly cellular area of tissue, possibly a tumor or a highly cellular inflammatory infiltrate.

Diagnosis:
Lymphocytic infiltrate
