Continuare a stupire.

Garantire ancora e ancora comfort, qualità, raffinatezza e unicità.

La Collezione 2023 nasce per portare sempre avanti la nostra visione, le nostre capacità progettuali, i nostri arredi e la voglia che ci contraddistingue di affrontare ogni sfida. E questo Salone ci dà la possibilità di esprimere al meglio questi nostri valori.

Presentiamo spazi e atmosfere articolate, in cui è possibile vivere l'esperienza abitativa Emmemobili. Piacevolezza e accoglienza sono sensazioni che vengono trasferite attraverso la cura nei dettagli, attraverso il mix materico e i bilanciamenti tra forme e volumi che si alternano nello spazio in maniera misurata e dosata.

E in questo contesto i nostri corpi luce fanno da fil rouge, completando gli ambienti Living e Dining in maniera raffinata e unica.

Continue to amaze.

Ensure comfort, quality, refinement, and uniqueness again and again.

The Collection 2023 was born to carry forward our vision, design capacities, furnishings, and our desire to face every challenge that defines us. And this Salone gives us the possibility to express our values in the best way possible.

We present spaces and well-structured atmospheres, where it is possible to live the house experience of Emmemobili. Pleasantness and welcome are sensations, that are transferred through the attention to details, the material combination and through the balance between shapes and volumes, that alternate in the space in a measured manner.

And in this context, our lighting objects are the leitmotiv, completing the Living and Dining spaces in a refined and unique way.

Spazi importanti: seppur morbidi e accoglienti.
Ogni pezzo è scelto con cura, affinché possa vivere in tutta la sua
forza come protagonista indiscusso dell'ambiente.

Large spaces, important yet soft and welcoming.
Every piece is carefully chosen so that it can live in all its strength as
the undisputed star of the room.

Materiali nobili e finiture dal carattere incisivo che risuonano in armonia con lo spazio, a creare sensazioni uniche.

Refined materials and finishes of incisive character, in harmony with the space, to create unique feelings.
