FRANCESCO
MOLON

Live well.

Classic

Highly skilled in painting, marquetry and the meticulous applications of gold leaf, artisans replicate age-old techniques to create near signature pieces preferred by high-end designers world wide.

Our artisans combine passion and manual dexterity with precision. "Their artistry is evidenced in tenons and mortises, in dovetails". Currently celebrating its 40th anniversary, Francesco Molon's mission is to use this treasured craftsmanship to achieve perfect products, hand-done, in the old tradition.

With so much emphasis on artistic expression and detailing, it's hard to imagine that Francesco Molon would give equal attention to functionality. With a savvy technical department and top notch designers, all plans and details are carefully studied and their feasibility is meticulously controlled. Francesco Molon facilitates the relationship between technology, design, and artistry to produce state-of-the-art pieces that perform in the home from both high design and functional perspectives.

For over thirty years, Francesco Molon has been building an internationally recognized reputation as a premier manufacturer of fine furniture.

In the tradition of classic collections, from Louis XVI to the provocative nuances of Art Deco, Francesco Molon will continue to offer its distinguished line of masterpieces furniture to discerning patrons throughout the world.
