CHAIR WITH ARMS

In the leather version, there is a zipper on the back.

**Available finishes:**

STRUCTURE: Walnut wood finish

SEAT, BACKREST AND ARMREST INSERT: Leather or Fabric

Chairs in fabric are finished with leather piping, available in 1159P, 1170P or 1296P

Chairs in leather are finished using the artisanal stickage technique.

**NOTE:**

**Leather-upholstered chair:** the "Sticage" process allows for a matt, brushed edge, highlighting the tailored and artisanal character of the chair. The stitching is always tone-on-tone.

The chrome metal zipper is inserted on the back only in the leather version.

**Fabric-upholstered chair:** the edge of the upholstery is finished with leather piping, which is also present in the stitching on the seat, a detail that defines its contours and highlights the craftsmanship of the product.

**Available sizes:**

Without arms 52x56x85h cm

With arms 60x56x85h cm

Chairs in fabric are finished with leather piping.

Chairs in leather are finished using the artisanal stickage technique.

The products are being finalized and may be subject to changes in details and dimension
