

# Flume

Shuffleboard Table

 **VISMARA**

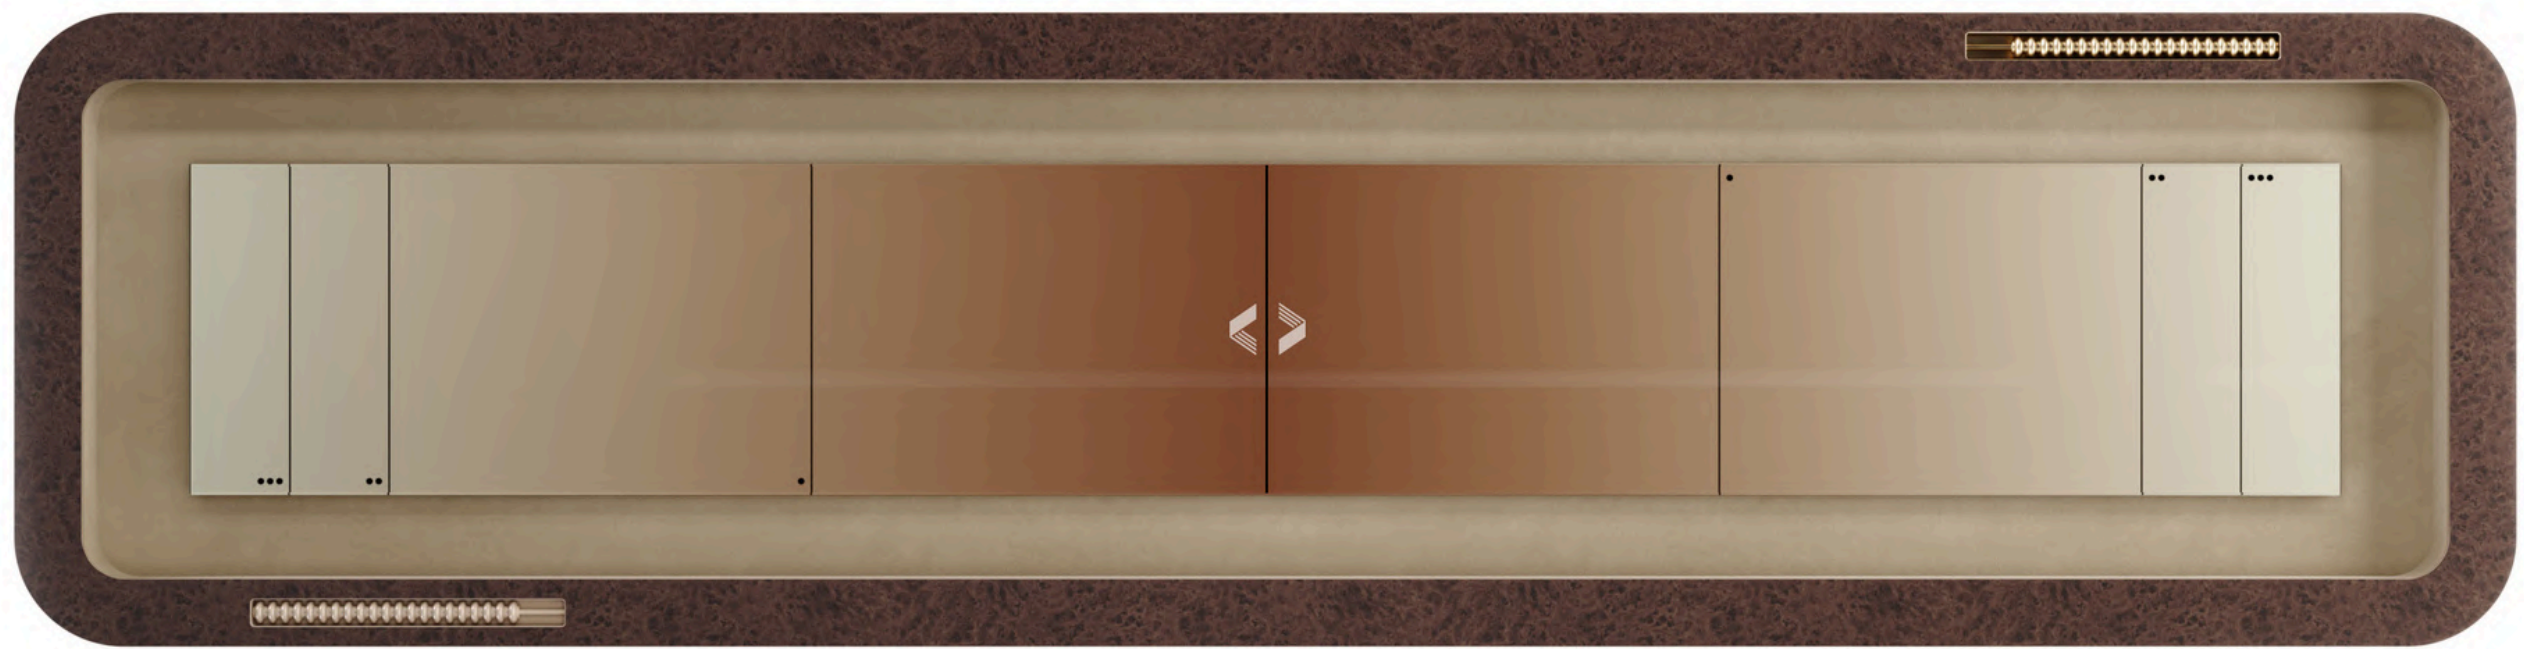

Flume, is the brand new **12' Shuffleboard Table** designed in collaboration with Bellavista & Piccini. Its massive base gives an extremely modern look to the table. The playing area is masterfully designed to be a perfect mix of functionality and aesthetics. The printed back lacquered surface let the discs slide in the proper way. The surrounding alley is covered with suede fabric to soften unlucky shot.

Featuring bold,  
contemporary lines,  
Flume seamlessly  
blends elegance and  
functionality.

# Key Features

Printed gradient one-piece glass with shuffleboard layout, 3 colours available.

---

Surrounding alley covered with suede fabric, available in 3 colours

---
