PLAF

Divano - Sofa

L'abbinamento di materiali esclusivi esprime la filosofia di Ulivi Salotti: il cuoio sandalo intrecciato a mano del divano Plaf dialoga con la preziosità del marmo Calacatta Verde nei top dei tavolini.

L'identità iconica del noce americano incontra la ricchezza materica della pelle grasse color birra, creando un equilibrio unico, dove tradizione artigianale e design contemporaneo si fondono in creazioni senza tempo.

The combination of exclusive materials embodies the philosophy of Ulivi Salotti: the handwoven sandal leather of the Plaf sofa pairs with the refined beauty of Calacatta Verde marble on the tabletops. The iconic identity of American walnut meets the tactile richness of beer-toned grasse leather, creating a unique balance where artisanal tradition and contemporary design merge into timeless creations.

La treccia barbaricina in bianco seta, intrecciata a mano e rifinita con piping in pelle grasse color sabbia, esprime la cura artigianale che distingue le creazioni Ulivi Salotti. Il calore del massello di noce americano si unisce alla raffinatezza del marmo Intrigo, dando vita a un insieme esclusivo che unisce tradizione e contemporaneità.

The barbaricina braid in silk white, handwoven and finished with sand-toned grasse leather piping, embodies the artisanal care that defines Ulivi Salotti's creations.
