COMPANY PROFILE

30-year-long history

-MADE IN ITALY-

Esperienze diverse danno vita ad Halley.

Il design, la moda, la sartoria e la tappezzeria si fondono nell'ideazione e nella realizzazione di nuove soluzioni d'arredo. Il concetto di arredamento classico viene rivisitato e reinterpretato magistralmente da Tiziana Casetta. Eleganza, lusso e stile si declinano attraverso un'interpretazione suggestiva del pensiero contemporaneo dell'abitare, dove riscoprire un'identità frutto di contaminazioni e creatività tra passato e presente, tra moderno, classico e antico.

Diverse experiences converge into Halley.

Design, fashion, couture and upholstery: all combined together to conceive and create new furnishing solutions. Tiziana Casetta's mastery contributes to reconsidering and reinterpreting the idea of classic furniture. Elegance, luxury and style unveil their nature through a distinctive approach to contemporaneous living concepts where products take on a new identity as a result of blends and creativity from the present and past. A journey through modern, classic and antique times.
