N°10 Touch&Feel

Sponges/Spugne

Immergersi con l'anima e con il corpo in una morbida, preziosa ed avvolgente sensazione. sentire sulla pelle il confort ed il relax allo stato puro, mentre lo stress scivola via. Emozioni... coccolarsi in un accappatoio che avvolge tutto il corpo, come una seconda pelle. Morbidamente... farsi catturare da una raffinata, sensuale e meravigliosa sensazione tattile, ed allo stesso tempo appropriarsi dei momenti più intimi. Le spugne più belle, nei colori più glamour: espressioni affascinanti, ed ispirazioni chic da toccare, da sentire, da vivere. Ivano Redaelli interpreta, veste ed arreda la sala da bagno, la spa, la piscina, intesi come spazi di benessere personali, con emozioni di altissima qualità ed eleganza assoluta. La carezza morbida e vellutata della spugna, la leggerezza del nido d'ape, la fresca eleganza del lino.

Give yourself up, body and soul, to a soft precious and fascinating sensation. Feel on your skin pure comfort and relax, while stress is drifting away. Emotions... snuggle yourself up in a bathrobe that surrounds the whole body, like a very second skin. Softly... let yourself be captured by a refined, sensual and wonderful touching sensation, and take possession of your private moments at the same time. The most beautiful sponges, in the most glamorous colors: fascinating expressions and chic inspirations to touch, feel and live. Bath room, spa center, and swimming pool are interpreted, dressed and fitted by Ivano Redaelli and felt like private wellness spaces, made of top-level emotions and absolute elegance. The soft and velvety caress of sponge, the honeycomb lightness, the fresh elegance of linen.
