Jersey/Jersey

Il piacere spontaneo del tessuto a contatto con la pelle, il fascino di un'eleganza ricercata ed informale allo stesso tempo. Due emozioni che in questa collezione creata da Ivano Redaelli, coinvolgono tutto il corpo e tutta la casa: un mondo di fresche emozioni e di piaceri profondi, da vivere con uno stile unico.

The natural delight of a fabric in touch with the skin, the glamour of a refined but, at the same time, informal elegance. With this Ivano Redaelli's collection, body and home are entirely surrounded by two emotions: a world made of fresh feelings and deep pleasures, to be lived with a very unique style.
