italian design lighting

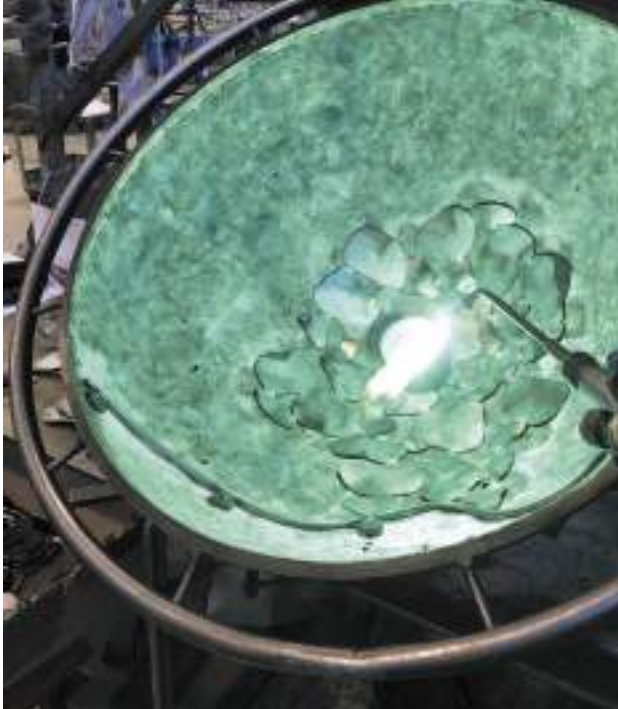

La nostra storia affonda le radici nel lontano 1987, quando Feltrin Lino e Antonio Piva fondarono l'azienda a Fanzolo di Vedelago. Da quel momento, l'innovazione è stata il nostro credo, e abbiamo dedicato il nostro impegno a creare lampade con design esclusivo e forme diverse. La nostra specialità è la produzione su misura, che ci consente di realizzare lampade uniche in praticamente ogni forma e dimensione immaginabile. Il cuore pulsante della nostra azienda risiede nel nostro ufficio tecnico all'avanguardia, dove competenze avanzate in lavorazione dei metalli e l'utilizzo di moderni metodi di produzione si uniscono per materializzare progetti complessi con attenzione ai dettagli. Essere sinonimo del Made in Italy di alta qualità e design originale è ciò a cui aspiriamo ogni giorno. Dopo la prematura scomparsa di Antonio Piva nel 2012 Cristian Feltrin, l'unico Designer e attuale direttore artistico della fabbrica IDL si è impegnata in una costante ricerca di nuove idee e materiali innovativi. Questa ricerca incessante è il cuore della nostra azienda, guidata dalla volontà di rispondere alla crescente domanda di prodotti unici nel loro genere. Siamo orgogliosi di essere un marchio che si distingue per l'eccellenza, portando avanti la tradizione di IDL con passione e dedizione. La nostra storia continua a evolversi, alimentata dalla voglia di creare illuminazione che non solo soddisfi le esigenze pratiche, ma che rappresenti anche un'opera d'arte luminosa.

Our history dates back to the distant year of 1987 when Feltrin Lino and Antonio Piva founded the company in Fanzolo di Vedelago. Since then, innovation has been our creed, and we have dedicated our efforts to creating lamps with exclusive designs and diverse forms. Our specialty lies in custom production, allowing us to craft unique lamps in practically every imaginable shape and size. The heartbeat of our company resides in our cutting-edge technical office, where advanced skills in metalworking and the use of modern production methods come together to bring complex projects to life with meticulous attention to detail. Being synonymous with high-quality Made in Italy and original design is what we aspire to every day. Following the untimely passing of Antonio Piva in 2012 Cristian Feltrin, the only Designer and current artistic director of the IDL factory committed himself myself to a constant search for new ideas and innovative materials. This relentless pursuit is the essence of our company, driven by the desire to meet the growing demand for one-of-a-kind products. We take pride in being a brand distinguished by excellence, carrying forward the tradition of IDL with passion and dedication. Our story continues to evolve, fueled by the desire to create lighting that not only meets practical needs but also represents a luminous work of art.

Ogni lampada che esce dalla nostra fabbrica porta con sé l'impronta della qualità e dell'autenticità. Ogni nostro prodotto è sottoposto a scrupolosi test di qualità, e quando vedete il marchio "IDL" su di esso, potete essere certi che state acquistando un'opera originale, completamente concepita e prodotta in Italia. La nostra attenzione ai dettagli va oltre il design, estendendosi alle finiture metalliche di alta qualità che rendono le nostre lampade adatte anche agli ambienti umidi, garantendo durata nel tempo e resistenza. La gamma dei prodotti IDL è diversificata e abbraccia molteplici stili. Dalle collezioni caratterizzate da design raffinato, linee morbide ed eleganti con dettagli attentamente selezionati, fino alle finiture costose in metallo, ai dettagli artigianali, al pregiato vetro di Murano e alle collezioni dalle forme semplici e rigorose. Quest'ultime presentano linee pulite, combinate con una razionalità e funzionalità esemplari. Con oltre 30 anni di esperienza e il supporto del nostro competente staff tecnico, ci distinguiamo nella progettazione, sviluppo e realizzazione di apparecchi di illuminazione personalizzati. Circa la metà della nostra produzione è dedicata a modelli non convenzionali, dimostrando la nostra flessibilità e la capacità di adattarci alle esigenze specifiche dei nostri clienti. Siamo qui per illuminare le vostre idee, portando luce e creatività in ogni angolo della vostra vita.

Every lamp that leaves our factory carries the mark of quality and authenticity. Our attention to detail goes beyond design, extending to high-quality metal finishes that make our lamps suitable even for humid environments, ensuring durability and resistance over time. La finitura **Brunito Corten**, **Marrone Corten**, **Argento Corten**, **Ruggine**, **Oro Antico Opaco**, **Oro Antico Lucido** è un procedimento di ossidazione naturale. La realizzazione di tale processo è influenzata dal livello di umidità, dalla temperatura esterna e da altre variabili ambientali. La mano dell'uomo e la specifica lavorazione sono il valore aggiunto che testimonia l'autentico 'Made in Italy'. Come tutte le opere dove il procedimento non è meccanico ma artigianale le eventuali variazioni di colore non sono da considerarsi un difetto ma una testimonianza dell'unicità del prodotto. Le finiture Corten e Oro antico rendono quindi il prodotto unico e irripetibile. A photograph of a modern rooftop terrace at sunset. The scene is dominated by a large, low-profile lounge sofa with dark cushions and a matching ottoman in the foreground. The terrace is enclosed by a white wall with glass railings. In the background, a vast ocean stretches to the horizon under a sky filled with soft, orange and yellow clouds. A palm tree and other plants are visible on the left side of the terrace. The overall atmosphere is serene and luxurious.

1. Premessa

Le presenti Condizioni Generali di Vendita di IDL EXPORT SRL, con sede legale in Via San Marco n.2, 31050 Fanzolo di Vedelago (TV) Italia, C.F. e P. IVA 03247000262 (di seguito "AZIENDA") regolano tutte le vendite dei prodotti realizzati e/o commercializzati da AZIENDA stessa (di seguito "Prodotti") ai propri clienti (di seguito gli "Acquirenti"), se non espressamente derogate per iscritto. Le presenti Condizioni Generali di Vendita sostituiscono ogni altro impegno, contratto o intesa, scritta o verbale, intervenuto/a in precedenza fra AZIENDA e l'Acquirente. In nessun caso si intenderanno applicabili altre condizioni di qualsiasi natura apposte su ordini e/o altri documenti inviati dall'Acquirente o da terzi, salvo espressa accettazione scritta di AZIENDA.

2. Conclusione del Contratto

L'ordine trasmesso dall'Acquirente diverrà impegnativo solo se effettuato per iscritto, anche via fax o mezzo mail. Il contratto si intende perfezionato esclusivamente quando l'Acquirente abbia ricevuto la conferma d'ordine scritta di AZIENDA, ovvero nel momento in cui AZIENDA inizi a dare esecuzione all'ordine trasmesso dall'Acquirente. Qualora la conferma d'ordine trasmessa da AZIENDA all'Acquirente contenga modifiche rispetto all'ordine, le modifiche si considereranno tacitamente accettate trascorsi 5 (cinque) giorni lavorativi dal ricevimento della conferma d'ordine senza che l'Acquirente abbia manifestato il proprio dissenso per iscritto.

3. Consegna e spedizione

Ove non diversamente pattuito nel Contratto, i Prodotti sono consegnati EXW (Incoterms® 2010) presso la sede legale di AZIENDA sita in 31050 Fanzolo di Vedelago (TV) via San Marco n. 2 - ITALIA - (in seguito denominata "Consegna"). Salvo diverso accordo scritto, l'Acquirente dovrà ritirare i Prodotti entro e non oltre 8 (otto) giorni. In caso di ritardo nel ritiro dei Prodotti, i termini di pagamento concordati non subiranno alcuna proroga e l'Acquirente si farà carico di tutte le spese relative all'occupazione dei magazzini di AZIENDA ammontanti ad un importo fisso giornaliero pari allo 0,5% del prezzo netto dei Prodotti. Resta inteso che il rischio di danneggiamento, deperimento, perdita e/o furto degli stessi graverà sull'Acquirente a partire dalla data di Consegna inizialmente convenuta. L'Azienda provvederà ad imballare i prodotti con un imballaggio standard per normali trasporti e movimentazioni. Qualora si rendessero necessari imballaggi particolari, questi ultimi verranno fatturati al costo secondo gli accordi intervenuti di volta in volta con l'Acquirente. In nessun caso i termini di consegna convenuti nel Contratto (di seguito "Termini di Consegna") assumono carattere di termine essenziale. Qualora sia previsto un anticipo all'ordine, l'apertura di una lettera di credito o il rilascio di una garanzia bancaria, i termini di consegna inizieranno a decorrere dal ricevimento dell'anticipo o dei documenti comprovanti l'operatività della lettera di credito o della garanzia. I termini di cui sopra restano, inoltre, sospesi fino alla comunicazione da parte dell'Acquirente di tutti i dati tecnici ed amministrativi necessari per la corretta evasione dell'ordine. I termini di consegna si intendono automaticamente prorogati in caso di modifiche alla fornitura richieste dall'Acquirente successivamente alla conclusione del contratto e si intendono automaticamente sospesi in caso di mancato pagamento da parte dell'Acquirente di qualsiasi importo dovuto a AZIENDA, anche se non relativo alla fornitura in oggetto. Eventuali ritardi nella Consegna inferiori o uguali a 30 (trenta) giorni rispetto al Termine di Consegna convenuto o prorogato non possono in alcun caso dar luogo a pretese di risarcimento danni o di riduzione del prezzo, né ad annullamento e/o risoluzione e/o modifica del Contratto. In caso di ritardo nella Consegna superiore di 60 (sessanta) giorni, l'Acquirente avrà diritto a una penale giornaliera pari a EUR 50,00 (cinquanta/00), a decorrere dal sessantunesimo giorno e fino alla data di consegna effettiva; l'Acquirente rinuncia espressamente a richiedere il maggior danno, a pretese di riduzione del prezzo, a richiedere l'annullamento e/o la risoluzione e/o la modifica del Contratto. In caso di ritardi nella Consegna dei Prodotti determinati da caso fortuito, forza maggiore, ritardi o mancate consegne dei propri fornitori e/o altre cause non imputabili a dolo e/o colpa grave o comunque qualsiasi altra causa al di fuori del ragionevole controllo di AZIENDA, l'Acquirente non avrà titolo per richiedere alcun indennizzo e/o risarcimento del danno, né per richiedere la risoluzione e/o la modificazione e/o l'annullamento del Contratto o la riduzione del prezzo dei Prodotti forniti.

4. Prezzi e termini di pagamento

Salvo diversa indicazione contenuta nella conferma d'ordine, i prezzi dei Prodotti sono quelli risultanti dal listino prezzi di AZIENDA in vigore al momento della conferma ed espressi in Euro. Il pagamento dovrà essere effettuato secondo le modalità di pagamento indicate da AZIENDA nella conferma d'ordine. In ogni caso, il Venditore si riserva il diritto di aumentare il prezzo pattuito prima della consegna, al fine di coprire i maggiori costi dei Beni dovuti a cause estranee alla volontà del Venditore. In case of late delivery exceeding sixty (60) days, the Purchaser shall be entitled to a daily penalty of EUR 50.00 (fifty/00), effective from the sixty-first day until the actual delivery date; the Purchaser gives up expressly claims for the maximum damage, to claims of reduced prices, to request cancellation and/ or termination and/or amendment of the Agreement. Products shall remain the sole property of AZIENDA until full payment of the price or full cash of any possible checks, promissory notes, or any other negotiable means of payment have occurred, even if the transport documents have already been delivered. In case of failure to pay even partially the price, AZIENDA shall be entitled to suspend the execution of the Agreement until full payment of the due amounts, or the enforcement of appropriate guarantees. In case of late payment, even partial, AZIENDA will be entitled to the payment of default interests permitted by applicable law (Legislative Decree no. 231/2002, as amended), which in any case will begin to accrue automatically from the due day without need of any default notice.
