The ability of craftsmen from the Brianza area has fascinated me from a young age. Over time, this craftsmanship has evolved and developed into industrial production.

I wanted to invite the architects to rediscover and exploit the unique skills of our master craftsmen. To create products, using the most sophisticated equipment and the finest materials, designed for ambitious and refined people looking for products in which differentiation and uniqueness prevail.

DISCOVER OUR MATERIALS

The creation of a custom-made Laurameroni kitchen begins with the selection of materials. We offer an exclusive range of refined surfaces, carefully chosen to ensure quality, aesthetics, and a unique and different product.

La création d'une cuisine sur mesure Laurameroni commence par le choix des matériaux. Nous proposons une gamme exclusive de surfaces raffinées, sélectionnées avec soin pour garantir qualité, esthétique et un produit unique et distinctif.

Создание кухни на заказ Laurameroni начинается с выбора материалов. Мы предлагаем эксклюзивный ассортимент изысканных поверхностей, тщательно отобранных для обеспечения качества, эстетики и уникального, отличительного продукта.

La creazione di una cucina su misura Laurameroni inizia dalla scelta dei materiali. Proponiamo una gamma esclusiva di superfici raffinate, selezionate per garantire qualità, estetica ed un prodotto unico e differente.

Die Gestaltung einer maßgefertigten Laurameroni-Küche beginnt mit der Auswahl der Materialien. Wir bieten eine exklusive Auswahl an edlen Oberflächen, sorgfältig ausgewählt, um Qualität, Ästhetik und ein einzigartiges, unverwechselbares Produkt zu gewährleisten.

定制 Laurameroni 厨房的设计始于材料的选择。我们提供精选的精致表面系列，精心挑选以确保质量、美观以及独特与差异化的产品。

CREATE YOUR OWN MOOD

Thanks to the Laurameroni wide range of offerings, customization goes beyond functionality, allowing to define the style of the project in detail and to create an environment that reflects a precise aesthetic vision.

Grâce à la large gamme de propositions Laurameroni, la personnalisation dépasse la simple fonctionnalité, permettant de définir en détail le style du projet et de créer un environnement reflétant une vision esthétique précise.

Благодаря широкому ассортименту предложений Laurameroni, персонализация выходит за рамки функциональности, позволяя тщательно определить стиль проекта и создать пространство, отражающее точное эстетическое видение.

Grazie all'ampia gamma di proposte Laurameroni, la personalizzazione va oltre la funzionalità, permettendo di definire nel dettaglio lo stile del progetto e creare un ambiente che rispecchia una precisa visione estetica.

Dank des breiten Angebots von Laurameroni geht die Personalisierung über die Funktionalität hinaus und ermöglicht es, den Stil des Projekts im Detail zu definieren und ein Ambiente zu schaffen, das eine präzise ästhetische Vision widerspiegelt.

得益于 Laurameroni 的丰富产品选择，定制不仅限于功能性，还可以详细定义项目风格，打造出反映精准美学愿景的环境。

"Maxima" draws inspiration from the wooden platforms used by the marble workers, which bear the apparently casual marks of discs used top cut marble. The textures are random and of different depths.

"Maxima" trae ispirazione dalle pedane in legno utilizzate dai marmisti, che portano i segni apparentemente casuali delle lame utilizzate per il taglio del marmo. Le trame così ricreate risultano quindi casuali e di diverse lunghezze e profondità.

Laurameroni is proud to boast a collection of unique, unusual, rare and top-of-the-range precious woods, available in limited disposability. These are trunks that slipped underground following landslides and upheavals in the forest, that were wrapped and protected under layers and layers of clay, and that nature has been able to preserve for centuries, to make them resurface today in a new and original beauty.

Laurameroni è orgogliosa di presentare una collezione di legni pregiati unici, insoliti, rari e di altissima gamma, disponibili in tirature limitate. Tronchi che in seguito a smottamenti e stravolgimenti della foresta sono scivolati sotto terra, che sono rimasti avvolti e protetti sotto strati e strati di argilla e che la natura ha saputo conservare per secoli, per farli riaffiorare oggi in nuova ed inedita bellezza.
